(Note: Students enrolled in college courses during high school are not included during their high school tenure; students who enrolled in college courses during high school are considered a member of the college's first-time cohort when they enroll in college for the first time after their high school graduation or successful GED award).

- o Full-time: A student enrolled in 12 or more college credit hours during one semester.

- o Degree- or certificate-seeking: A student who has officially identified intent to complete a federal financial aid-eligible certificate or Associate's degree program.
