Pratt CC Hosts Academic Olympics

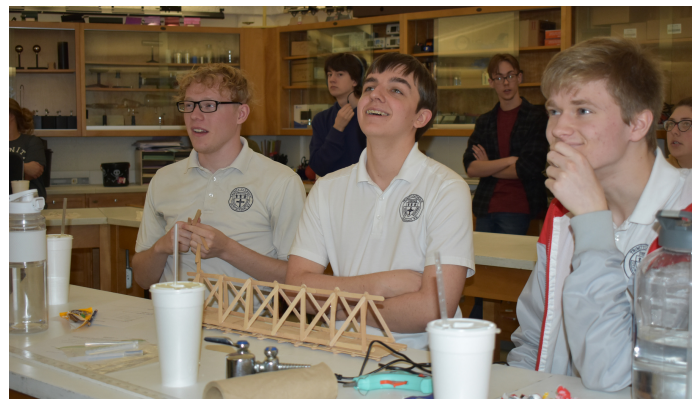

Pratt CC welcomed 16 high schools and approximately 600 students to campus for the Academic Olympics event.

Students compete against other schools academically by taking tests, performing a task or submitting entries for judging in multiple categories. Subjects include Math, Science, English, Animal Science, Auto Mechanics, Art, Creative Writing, Vocal Solos and Duets and many others.

A Popsicle Bridge Contest was new for students this year. Students worked in teams to create a bridge with popsicle sticks on site. The bridges were then stress-tested to see how much weight they could take before breaking.

Another new event was the Mousetrap Car Contest. Students built Mousetrap Cars in advance and were scored based on the longest distance traveled within the course boundaries in Dennis Lesh Sports Arena.

Students also did a Parts Identification exercise in the Automotive Technology shop, where multiple cars were also on display.

Students received tickets for a free snack and drink at Beaver Bites cafe and many schools also ate lunch at Great Western Dining, the campus dining hall, before departing.

The top 3 schools earning the most points overall:

Division I

- Pratt High School – 1st place
- Trinity Catholic High School – 2nd place
- Central Christian School – 3rd place

Division II

- Conway Springs High School– 1st place
- Pretty Prairie High School– 2nd place
- Bucklin High School- 3rd place

It's always a big day with so many students on campus. Big thanks to PCC Communications and Journalism instructor Heather Wilson for spearheading the event, as well as the many faculty, staff and PCC student volunteers that help make it possible.

A big thank you also to the area schools for attending our Academic Olympics event, we love having you on campus!

PERFORMING ARTS

Valentine's Dinner Show

PCC's Performing Arts students had a busy February. Encore performed a Valentine's Dinner and Show at The Back Door venue in Pratt.

Per PCC Drama and Theatre Instructor Misty Beck, "Super special thanks to Kyle and Julie Irvin and James Kiley for cooking a wonderful meal!! Tuesday we sang at the Country Club and for the Trinity Evangelical Church Valentine banquet! Finished up the Valentine's activities with a show at Parkwood Village! Big thanks to our friends there who are always an excellent audience!"

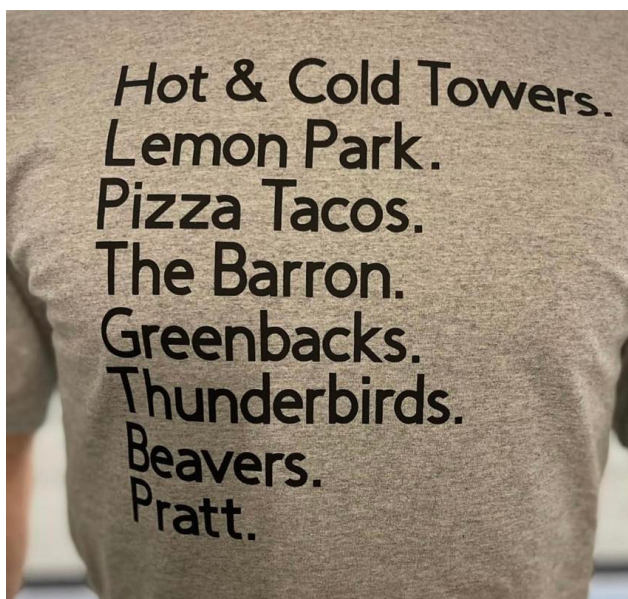

Students came to class dressed like instructor Jeff Herndon and Encore's apparel fundraiser for their annual Tennessee trip in May is well underway. View the many styles and place an order on the [Encore T-Shirt Company Facebook page!](#)

CELEBRATE DIVERSITY TEAM

Women's History Month

Every March, people in the United States celebrate the achievements and history of women as part of Women's History Month.

How it started

Educators in Santa Rosa, California, first celebrated Women's History Week in March 1978 to increase awareness of women's contributions to society. Organizers selected a week in early March to correspond with International Women's Day on March 8. Over the next several years, other cities across the country joined Santa Rosa in celebrating Women's History Week.

In 1980, U.S. President Jimmy Carter declared the week of March 8 National Women's History Week, urging everyone in the United States to participate. According to Carter, "too often the women were unsung and sometimes their contributions went unnoticed. But the achievements, leadership, courage, strength, and love of the women who built America was as vital as that of the men whose names we know so well."

The week-long event officially became a month-long one in 1987 when Congress passed a resolution designating March as Women's History Month. Women's History Month has been celebrated in the United States every March since.

Who it honors

Among the notable figures often spotlighted during Women's History Month are Sacagawea, a Native American woman who helped make Lewis and Clark's expedition to map parts of the West in the early 19th century a success; Elizabeth Cady Stanton and Susan B. Anthony, who fought for equality for women in the mid-19th century, more than 70 years before the 19th Amendment gave women the right to vote in the United States in 1920;

Harriet Tubman, a spy who led slaves to freedom during the Civil War; Amelia Earhart, one of the world's first female pilots (she mysteriously disappeared over the Pacific Ocean in 1937); Madeleine Albright, who became the first female Secretary of State in 1996; and Misty Copeland, the first African-American woman to be named a principal dancer—the highest level—in the 75-year history of the American Ballet Theatre in 2015.

Women's history month today

Since the first Women's History Week in 1978, other countries have joined the United States in honoring women and their contribution to history and culture, including Canada and Australia.

Each year the National Women's History Alliance chooses a theme for Women's History Month. Previous themes have included "Women Taking the Lead to Save Our Planet" (2009) and "Celebrating Women in STEM" (2013). The theme for 2020 and 2021 is "Valiant Women of the Vote." (Learn about the fight for the right to vote.) And the theme for 2023 is "Celebrating Women Who Tell Our Stories."

Beyond the theme of the year, Women's History Month continues the discussion of women and their contributions through activities such as museum exhibits and film screenings, and by encouraging the study of achievements by women year-round.

Beavers Baseball Season Underway

Pratt recently traveled to Wilburton, OK to face Eastern Oklahoma State College in a three-game series. The team won the final game of the series 11-7. Before that the team traveled to McPherson College to face their junior varsity team and won 21-4.

"The biggest thing is when we play well and handle our business it doesn't really matter who we play," said Head Baseball Coach Todd Reller. "I think we have the ability to beat anybody, but if we don't handle our business we have the ability to lose to anybody. It's a matter of finding consistency and playing that way game to game."

This will be the last series before the Beavers start conference play on March 9 against Cloud County. To finish out the month of March the team will face Hutchinson, Garden City, and Barton. The team was projected to finish eighth in conference play this season.

"We build a tough non-conference schedule to prepare us for conference play. We do not want to go out and play easy opponents so we look for tough games that will prepare us," said Coach Reller. "That way when we step into conference play, we are playing our best baseball. It is one of the best junior college conferences for a reason. It is always a tough test, and we are going to have to go and surprise some people."

Last season, the Beavers faced Highland on the same weekend and won the series 3-1 with the only loss coming in game two 11-7 over the Scotties. The Scotties of Highland enter the four-game series sitting at 6-5 on the season. This season the Scotties have defeated Ottawa University (JV), Benedictine College (JV), Ellsworth, and Rock Valley. Over the past ten games, Pratt has led the series over the Scotties 6-4. Sergio Fierro leads the Scotties with a .433 batting average with 13 hits, nine runs, two home runs with eight RBIs over 10 games.

"They are a good opponent," said Coach Reller. "They always seem to play us in a tough series, and I know we have won a few series against them in the past few years, but at the same time they are close and tough games. It will come down to us playing clean baseball and being consistent and handling our business."

Beavers Back in Win Column with Win Over Indy

The Beaver men's basketball team traveled to Independence Community College on February 15 to face the Indy Pirates. Both teams entered the contest coming off losses in their previous matchups. Pratt took game one of the series back on December 12 71-70.

In the first ten minutes of play there were eight lead changes as Pratt held a one-point advantage 21-20 with 10:10 left to go in the half. In the last ten minutes of play there were six lead changes and four ties as Indy took a narrow 41-38 lead into the locker room at halftime.

The second half started in much the same way as the first; however, Pratt managed to grow a nine-point lead 59-50 by the 13:52 mark of the second half. The Beavers never gave the lead back to Indy as they pulled within one point with 8:26 left in the game. In addition, the Pirates pulled within two points several times throughout the second half but could never take back the lead. Pratt rolled to a 91-86 victory.

Sterling Young led the way with 32 points and seven assists. Chidiebere Obichere finished with a double double with 24 points and 12 rebounds. Quintin Metcalf had 10 points in the game. Pratt got outrebounded by three and turned the ball over 18 times throughout the game. They shot 56.1 percent from the field and 50 percent from the three-point arc.

Beaver Women's Basketball Fought Hard at Coffeyville

The Beaver women's basketball team traveled to Coffeyville on February 22nd to take on the Red Ravens. This was the second meeting between the two opponents with Pratt taking game one 69-57 in the Beaver Dome.

Coffeyville started out the game on a 13-6 run in the first five minutes of the game. With 1:56 left in the first quarter Pratt cut the Red Raven led to two 15-13. As time expired in the first quarter the Beavers tied the game up at 17 a piece. Pratt took their first lead of the game 19-17 in the first minute of the second quarter. The Beavers held a 29-21 lead with 5:20 left to go until halftime. They continued to lead 31-24 with three minutes left in the quarter. With 23 seconds left the Red Ravens pulled to within three 33-30 and made a last second shot to be down one at halftime 33-32.

The Red Ravens took the lead back at the 8:44 mark of the third quarter 36-35. Pratt was able to tie the game back up 38 all at the 7:39 mark. After three lead changes and one tie, the Red Ravens held onto their lead throughout the rest of the third quarter. Coffeyville was up 51-44 as the game entered the final quarter of play. With 8:40 left in the game, Coffeyville grew their lead to ten 56-46. The Red Ravens outscored Pratt 18-14 to roll to a 69-58 victory.

Princess Anderson led the team with 19 points. Isis Sanders had 16 points in the game. The Beavers continued to focus on ball control and only turned the ball over 10 times. They did, however, get outrebounded 49-36.
