Notes:

Please note there are three different subtests on the mathematics ACCUPLACER test. Please use the correct math subtest to determine placement. Please note, the Classic ACCUPLACER test will be retired in January of 2019. We will accept Classic ACCUPLACER scores until January 2021. PCC will begin administering the Next-Generation ACCUPLACER test in October 2018. COMPASS scores will no longer be used for placement.

Completing a prerequisite course with a grade of C or better qualifies the student to advance to the next higher course. Successful course completion supersedes the need for the ACT or ACCUPLACER

College Bridge Students-In addition to the developmental courses, the following are recommended options depending on program/major: BUS235, AGR185, CSC177.
