Dear Ms. Ricke:

The Associate Degree Board of Commissioners met on April 24-25, and reviewed your Quality Assurance Report. After review, the board voted to accept your report with one Note and one Opportunity for Improvement.

Progress on Notes must be reported in future Quality Assurance Reports. You do not need to report on Opportunities for Improvement.

Place Note on Standard 4 –The board would like to see program specific outcome measures instead of General Education measures such as CAAP. We look forward to reviewing evidence of program trends in the next QA Report.

OFl on Standard 3 – Sample sizes are very low. We recommend that you consider other goals that would provide a larger sample size or collect more data. We look forward to reviewing evidence of trends in the next QA Report.

Details of comments can be viewed in the feedback report at the portal. Your status report on the note will be due 2/15/2019 and your next full Quality Assurance Report will be due **2/15/2021**. Your reaffirmation of accreditation is scheduled for **2025**. You are encouraged to contact one of the commissioners with questions. Commissioner Michelle Byrd may be contacted at (864) 250-8423 or by e-mail at Michelle.Byrd@gvltec.edu. You may also contact Diana Hallerud, Associate Director of Accreditation, at 913-339-9356 or by e-mail at dianahallerud@acbsp.org.
