

Delmar Riney Art Gallery “Featured Artist of the Month” Exhibit Application

Thank you for your interest in being considered as a “Featured Artist of the Month” in the Delmar Riney Art Gallery at Pratt Community College. The college is honored to showcase area artists in the Gallery.

The featured artist and exhibition will be featured in the local newspaper, on the college website and the college Facebook page. A press release featuring the exhibit will also be sent to area newspapers and to the artist’s resident newspaper.

It is not a requirement, but if the artist is available for a demonstration, we would be pleased to accommodate this opportunity. PCC does not provide an honorarium, travel reimbursement or any compensation to artists. Artists are allowed to sell their artwork and should have prices noted next to each piece of artwork and contact information. The artist is responsible for all sales transactions and coordination.

The Pratt Community College “Featured Artist of the Month” will set-up the last week of the month prior to their respective month’s exhibit. Artwork will be taken down during the last week of the month artwork is exhibited.

Artwork should be ready to hang or display and the artist is responsible for providing their own nails and/or hanging materials if special devices are required. For free standing art, artist must provide display support unless standard tables can be used. Standard nails, a hammer and step-ladder will be available.

The Delmar Riney Art Gallery is open Monday through Friday, 8 am to 5 pm or by arrangement. During special events hosted by the college, the Gallery will be open.
