

# President Search

Seeking a Visionary Leader at Pratt Community College

Pratt Community College (PCC) invites applications for the position of President. Located in the heart of south-central Kansas, PCC is a student-centered institution dedicated to academic excellence, workforce development, and community enrichment.

## About Us

We are a comprehensive two-year institution dedicated to fostering lifelong learning and leadership development. The College offers nationally recognized associate degree and career and technical education programs, complemented by a robust array of intercollegiate athletics, student organizations, performing arts, and campus engagement opportunities designed to support holistic student success. Pratt Community College provides a welcoming and supportive environment for both students and employees, making it an exceptional place to learn, work, and lead.

## Position Summary

The President serves as the chief executive officer of the community college and is responsible for providing visionary, strategic, and operational leadership for a comprehensive, multi-campus institution serving a diverse, largely rural region in South Central Kansas. The President fosters student success, workforce alignment, community engagement, and fiscal sustainability while advancing the mission of accessible, high-quality education.

## Strategic Priorities

### Student Success

Fostering a community of learners ready for advanced study or immediate employment

### Enrollment Stability

Maintaining a dynamic student population

### Financial Stability

Ensuring responsible stewardship of resources and exploring new revenue streams

## Who We Are

### Service Area

- The college serves a diverse eight-county region in South Central Kansas, playing a vital role in regional economic development and community vitality.

### Motto

- Community is our middle name.

### Enrollment

- Approximately 1,322 students (Headcount)

### Programs

- 40+ programs of study including top-tier Liberal Arts and Technical programs which lead to degrees or certificates

### Campus

- An accessible campus in Pratt, KS
- Academic and Technical Buildings
- Residence Living Opportunities
- Athletic Facilities

# A Successful Candidate

## Visionary Leadership

- Ability to implement policies that advance student achievement and economic development.

## Community Engagement

- A commitment to being a champion for the college, the Pratt community, south-central Kansas and beyond.

## Financial Stewardship

- Experience managing institutional budgets and maintaining long-term financial health.

## Collaborative Spirit

- A track record for building partnerships with industry, K-12, and four year universities.

## Our Community

- Pratt offers a welcoming, close-knit community where leadership truly makes a visible impact. With its strong local support for education, affordable cost of living, and a culture rooted in collaboration and growth, Pratt provides an ideal environment for a community college president to lead with purpose. The town's commitment to student success, workforce development, and regional partnerships creates meaningful opportunities to innovate while enjoying a balanced, high-quality lifestyle in a friendly and supportive setting.
