

Associate of Applied Science Academic Degree Map Information Network Technology 2026-2027

This is a suggested sequence of classes based on the average student load and course prerequisites. Not all courses are offered every semester. For specific discipline electives, please refer to the page labeled "Systemwide General Education Program" following the degree requirements in the PCC Catalog. The courses approved for the AAS Institutionally Designated options are listed in the AAS degree requirements. Students must take 3 hours from this list of courses. Milestones, courses, and special requirements necessary for timely progress to complete an area of study are designated to keep you on track to graduate in two years. Missing any of these could delay your program. Consult with your advisor for more information.
