Board of Trustee Special Meeting Minutes, April 12, 2021

- I. Trustee Vice Chair Koler called the Special Board Meeting to order at 5:30 p.m.

Trustees Present: Vice Chair Mike Koler, Ed Barrett, Kim DeClue, Michele Hamm, Stan Reimer, and Jeff Shumway.

Trustee Absent: Chairman Dwane DeWeese

Administration Present: Dr. Michael Calvert, PCC President, Tim Swartzendruber, Athletic Director (AD), Donna Meier Pfeifer, Board Clerk

Introduction of Guests:

- Gary Schmidt, Pratt City Commissioner
- Zach Deeds, Pratt City Commissioner
- Bruce Pinkall, Pratt City Manager
- Larry Eisenhauer – Pratt City Recreation Director

- II. **Discussion: Track and Field Facility – Dr. Calvert**

Dr. Calvert expressed there were some challenges and concerns being expressed and felt communication was needed between the college and the City, address questions and have the opportunity to voice concerns. Dr. Calvert explained the process from the beginning to the current state. Project Management Committee (PMC) during the construction process was developed and consisted of: Bruce Pinkall, City Director of Recreation Dept., City Commissioners Gary Schmidt and Zach Deeds, and two from Pratt Community College (PCC) Dr. Calvert and Darrell Shumway who was a board trustee at the time and also on the Comprehensive Capital Campaign (CLC) Board. Fall of 2019 the construction of the project was completed; the PMC was focused on the management of the facility. During this time Mr. Pinkall became the Pratt City Manager and Larry Eisenhauer became the Recreation Director. COVID-19 pandemic made its appearance and activities ceased. Fall of 2020, PCC campus is open, City Recreation open and using the facility and Tim Swartzendruber, AD became part of the PMC as management, replacing Darrell Shumway for the day-to-day operations. The current serving PMC members are:

- | | |
|-----------------------------------|---|
| - Gary Schmidt, City Commissioner | - Larry Eisenhauer – Rec Director |
| - Zach Deeds, City Commissioner | - Dr. Michael Calvert, PCC President |
| - Bruce Pinkall, City Manager | - Tim Swartzendruber, Athletic Director |

Scheduling Phase – Mr. Eisenhauer and Mr. Swartzendruber have been working together with software for scheduling events. Facility is the base for PCC soccer and track events. Priority scheduled events are track and field, and soccer meets before scheduling events outside of this group. Dr. Calvert explained the uniqueness of the

facility and the collaboration between the City of Pratt and PCC for the \$3.6M project. City donated the land, City has been the grantee on two federal grants in the amount of \$300,000 each which covered 17% of the construction process. City was also the grantee of Industrial Revenue Bonds (IRB) so the facility could be built and PCC could continue to fundraise. \$900,000 shy of meeting the goal. Bonds are callable in 2024 and on schedule to have the money raised to pay off the bonds.

Financial asks were done very strategically and who from the (CLC) would be the appropriate person to make the ask. PCC also did financial asks for additional dollars from Pratt County Commission, USD 382 and USD 438 as Community Partners. Goal was to get everyone engaged and have access to the facility which is a NCAA certified track. As a Community Partner and financially assisted in the project, you had access to the facility, position at the table, and assist with the scheduling. County was asked on May 9, 2018 and spring of 2021 and they have not committed any funds. The facility is not tax supported in terms of the construction of the project. This facility benefits everyone in the community and it was presented as a driven community project. Dr. Calvert and a Skyline Alumni met with the Skyline Board and superintendent. Skyline's decision was they were uninterested. PCC Board and school districts board were going to meet to bring each party up-to-date, but due to COVID-19 this unfortunately was not possible.

October 2020

Mr. Swartzendruber was asked to follow-up with other community colleges in the state to get information pertaining to rental agreements to share with the City. But this was not a high priority. **Spring 2021** - PMC met, City's attorney was present to start discussing rental agreements. A local organization was wanting to hold one meet at the facility. Agreements were not yet finalized. Dr. Calvert approached them with a figure hoping it would encourage them to become a Community Partner and pay the Community Partnership rate. This gives them rights to using the facility and it would be advantages instead of being a single day event renter. When a representative from this local organization called, Dr. Calvert provided them the \$5,000 rental figure. PMC has been meeting and is making progress, but nothing has been put into writing and agreed upon at the time of this meeting.

Zach Deeds City Commissioner – Stated he agreed with the majority of what Dr. Calvert presented and the Track and Field / Soccer Field is a successful endeavor and it is being used constantly. The PMC needs to talk about the challenges of funding to establish an appropriate fee. Mr. Deeds stated the City will distance themselves from negotiations with the Community Partnership. The City does not have the authority for that.

Bruce Pinkall City Manager – Mr. Pinkall stated Mr. Eisenhower is heavily involved in the day-to-day maintenance, i.e. gates left open, trash needs to be picked up etc. City is trying to get restrictions put in place. But there are things that need to be done to reduce these issues. Mr. Pinkall distributed a handout pertaining to Track and Soccer Rental Costs and Track and Soccer Facility Values explaining when the facility is used.

Track and Soccer Rental Costs

1. Availability to All Aspects of the Facility, Equipment and Parking Lot

- High Jump and Pole Vault Pit and Standards
- Long Jump and Triple Jump Pits
- Throwing Events Areas
- Track, Hurdles, Starting Blocks
- Press Box and Scoreboard, Timing Conduits
- Restrooms and supplies

- Buildings	Storage \$87,750	
	Restroom and Concession \$74,750	
-Lift Station		\$ 6,636
- Black Chain-link Fence and Gates - 1320 Feet		\$ 36,960
- Track Equipment Hurdles, Starting Blocks (Hammer Cage, HJ and PV Pitts and Standards)		\$ 44,867
- Concession Equipment		\$ 5,000
- Scoreboard		\$ 32,500
- Flag Pole		\$ 1,500
		\$2,186,382

This is a unique and difficult situation and if everyone is made aware and work together he feels confident this can work. There is a lot at stake to not take this seriously and hard work in coming up with a solution that works for all parties and used by all parties. People need to understand the involvement it takes to make this work properly.

Gary Schmidt, City Commissioner – A developed fee schedule is a priority before work can begin. Maybe the PMC or a combination with the college, a piece of information, i.e. brochure, letter in the city utility bill, that would explain the process and reduce the confusion that PCC is trying to raise money that the public does not understand or how these entities are working together. City had to make a commitment to their constituents that it this was not City money going into this project. Information that answers the question, reduces the confusion and people can understand it. People need to either utilize it or attend / participate in an event before they can begin to understand how much time and effort is involved in a project like this.

Larry Eisenhower, Recreation Director – There is misconception, but it is okay to be selective and to ask people to put a “little skin” in the game will lessen the turmoil. He feels the numbers presented and discussed are equitable and no one is being excluded. “Either you are going to do it or you’re not”. People have the option of going and asking someone to donate on their behalf. The wear and tear on the fields, buildings etc. in ten years can be \$100,000 each year getting it back to where it was. Letting people use the facility because “we like you” is not going to pay the repair costs in ten years to upgrade. He feels the committee is heading in the right direction and communication to the public will help. Questions can be asked and answered intelligently of where things are at.

Ed Barrett, Trustee – Excellent point about the necessity of groups entities having “skin in the game”. Trying to sell something for “free” is not “free”. Concept no one is total cost of ownership this is a good portrayal.

Mike Koler, VC Trustee – The uncontrolled communication that is circulating in the community needs to be stopped. Getting the “correct” information out to the community is important and maybe include the figures Mr. Pinkall presented and making it public what the cost of maintaining the project and why the PMC’s reason to have a rental fee. The PMC should be responsible in developing a rental fee. That is the PCC’s President’s job. But the Board needs to be kept informed. This is described in the local agreement within this committee to make the decisions.

Gary Schmidt, City Commissioner – Question was asked if there have been any drone shots during any of the meets that have been held at the Track and Field to be put on PCC’s and the City’s websites? As the time of this meeting there has been none. Start budget planning for upcoming repairs, putting money aside so it is available when needed so facility is here for 35 – 40 years.

Michele Hamm, Trustee – Why a service area school or community area group would not want to put “some skin in the game” at any level is confusing. I can see areas outside of our service area or community area wanting to use it for whatever fee is set. But I did not dream the fee would be set for local groups. The Pratt location is a good location for regional sports events.

Kim DeClue, Trustee – Agrees that the Management Committee should make the decisions and appreciate being kept informed.

Tim Swartzendruber, AD has gotten the score board, flag pole, and BTI gaiter all donated. The PCC baseball scoreboard at Stanion Field has also been donated.

The City will be inheriting the track and soccer field and wanted certain things done during the construction phase, mainly labor, which was their contribution to the complex.

- III. VC Koler asked for a motion to adjourn this special board meeting. Mr. Barrett made the motion to adjourn this special meeting. Motion was seconded by Ms. Hamm. With no further discussion the motion pass unanimously.

V. COVID-19 Update – Dr. Calvert

PCC campus continues to be on course with observing masks and social distancing and will continue through commencement. No positive cases reported on campus.

VI. Student Leadership – Lisa Perez Miller, VP of Students and Enrollment Management

Students introduced themselves and responded to questions. Question asked;
How would you describe PCC in two words?

Student Leadership Council:

Chariah Daniels – Wichita – Mathematics – Freshman – *Community Base*
Noah Eck – Pratt, KS, - Liberal Arts – Sophomore - *Friendly and Inviting*

Student Life Advisory Team:

Marvin Jean Francios – West Palm Beach, FL – Engineering – Sophomore - *Learning Environment*

Delajah “Lay” Long – Columbus, Ohio, - Psychology – Sophomore – *Small and Diverse*

Danielle “Dani” Daugherty - Yukon, OK – Mathematics – Sophomore – *Home Like*

Matthew Waldemeier, Jordan Mathis, and Jameka Chrisholm were unable to attend.

VII. Automotive Program – Daryl Lucas, Auto Instructor, Monette DePew, VP of Instruction

Presented videos of the Kingman and Attica Automotive Program:

- Daniel Meng – Attica – South-Central Career Pathways Center, Partners with PCC, Attica, Medicine Lodge and Chaparral. This is a CPE program meaning tuition books and tools are at no cost to the student and they do receive 3 college credit hours which can be transferred to any technical school in the state of Kansas. Program is offered to sophomore, juniors and seniors.

- Tyler Wells – Kingman High School – 3 college credit, gives the student a jump on the job market. The automotive technician field is in demand.

- Lane Tunstead – PCC Campus and Alan Ziegler – PCC Campus

- Daryl Lucas – PCC Campus – The automotive program has been very busy the last two years. The high school automotive programs are evaluated and what is usually found is the equipment and the facility is in poor condition. Structure in the high school automotive department has been kept current. PCC is providing structure, equipment and the ability for the student to focus in small curricular areas, instead of taking a “big bite” in their automotive repair industry. Four classes are provided to students receiving a Level I Certificate with 16 credit hours total if they go two years. They are eligible to take ASC certification test when they are done. Incorporated an Introductory class at Kingman which basically is an overview of an automobile. Mr. Wells will be teaching a recruiting class to the multiple college classes in Kingman. Without SB155 funding this could not have been accomplished. There will be a “No Boys Allowed” clinic in Kingman and 22 girls are signed up. There will be five different rotations. The following week the same clinic will be held in Attica and there are 30

girls signed up. Perkins and Vocational Capital Outlay money assists in the purchase of the equipment. The CPE funding is the only thing that is fully funded.

Personnel Report

No verbal additions were presented.

Financial Report – Kent Adams, Finance and Operations

Revenue through March is running \$95K favorable. This compares to an unfavorable \$57K in February. Tuition is \$88K over budget. Ad valorem property tax is \$113K under budget. The ad valorem property tax underrun appears to be budget time-phasing and should catch up to budget in June. Motor vehicle tax is \$30K over budget. Delinquent tax is \$29K favorable. Miscellaneous income is over budget \$61K due to payment plans.

Expenditures are running \$537K favorable through March. This compares to an underrun in February of \$687K. The underrun is good for this point in the budget year.

Finance Committee Minutes

The finance committee met with the Vice President of Finance and Operations, electronically. The committee reviewed the cash disbursements for the month of March 2021.

Recommendation: The committee recommends the cash disbursements for the month of March 2021 be approved. No major trends were identified.

The presidential and board travel expenses were reviewed.

Recommendation: No problems or exceptions noted.

Other Items: No other items were discussed.

XII. Action Items

Seek Approval to Add the Tennis Program – Dr. Michael Calvert

VC Koler asked for a motion to approve the administration recommendation to add a Men's and Women's Tennis Program to PCC. Motion was made by Trustee Barrett to approve the administration recommendation to add a Men's and Women's Tennis program starting the Fall semester of 2021. Motion was seconded by Trustee DeClue.

Beth and Kent Montei expressed their delight in hearing PCC was considering reinstating the Tennis program. They request the Jack Montei Tennis Scholarship funds go back to funding the tennis program. The scholarship was currently designated to baseball scholarship. They may also consider donating startup funds for purchase of balls, ball machines, training rackets and restringing rackets. They will support the tennis program. At the time of this meeting a tennis coach has not been hired.

Porter Loomis - 2017 Porter Legacy Trust has pledged a \$100,000 gift over a 5 year period if PCC can maintain a Men's and Women's Tennis program. Mr. Loomis is willing to underwrite the program to ensure operating expenses if 20 students were not recruited. Mr. Loomis shared with the cutback on the Division I Level in recent years there are more players looking for opportunities. With only three teams competing in the Jayhawk Junior College Conference, recruiting opportunities in Kansas is good. They are good on the international front as well. Mr. Loomis expressed if you can convince a coach to come to PCC the odds for staying an extended period of time is good. And would add enrollment to the institution.

AD Swartzendruber expressed why he felt bringing the tennis program back was positive because:

1. Blake Complex now has 10 courts as before was 6
2. Blythe Family Fitness Center has an indoor facility for practicing in the winter months. The program will definitely be a recruiting tool.

With no further discussion motion passed unanimously.

Dr. Calvert expressed his gratitude to Mr. Loomis for his help in making this possible to bring this sport back to PCC. Beth and Kent Monte for their support. Men's and Women's Tennis Program is coming back to PCC fall 2021.

Ratify Waiver of Board Policy No. 3-07 – Kent Adams, VP of Finance and Operations
VC Koler asked for a motion to approve the ratification of Waiver Board Policy No. 3-07 for the sole-source purchase of two laptop computers for faculty in the amount of \$3,103.11 from Dell Computers. Sole-source due to the College purchasing only Dell Computers to maintain consistency and a three-year warranty.

Motion was made by Trustee Hamm to approve Waiver Board Policy No.3-7 for the afore-referenced 2 laptop Dell Computers in the amount of \$3,103.11 and to waive the second reading. Motion was seconded by Trustee Shumway. With no further discussion motion passed unanimously.

Rates for Financing Two 15 Passenger Transit Vans

VC Koler asked for a motion to accept the administration recommendation to accept the 60 month term from Fusion Bank. Motion was made by Trustee DeClue to accept the 60 month term from Fusion bank. Motion was seconded by Trustee Barrett.

The bids for financing \$68,433.50 for 2 Ford Transit 15 passenger vans were received as follows:

	<u>48 months</u>	<u>60 months</u>
Legacy	2.95%	2.95%
The Peoples Bank	3.216	3.216%
Fusion	1.99%	2.11%
SJN	2.4%	2.4%

With no further discussion motion passed unanimously.

Approve Sole-Source Purchase of Cyber Security Monitoring Cyber Security Monitoring

VC Chair Koler asked for a motion to accept the administration recommendation to accept the Oculus IT for Security Operations Center Service to monitor and mitigate cyber security threats to PCC computer operations at the cost of \$25,000 per year and \$10,000 for Oculus IT to conduct a review of compliance with Gramm-Leach-Bliley Act and General Data Protection Regulations for a one-time cost of \$10,000.

Motion was made by Trustee DeClue to accept the administration recommendation to sole-source purchase Oculus IT for Security Operations Center Service at the cost of

\$25,000 per year and \$10,000 for the compliance review with Gramm-Leach-Bliley Act and General Data Protection regulations. Motion was seconded by Trustee Hamm.

Mr. Adams due to increased staff and student offsite access due to COVID-19 has increased the need for this monitoring. Oculus IT will conduct a review of compliance with Gramm-Leach-Bliley Act and General Data Protection regulations for a one-time cost of \$10,000.

With no further discussion motion passed unanimously.

Approve Sole-Source Purchase of Welding Simulator

Lincoln Electric V TEC Welding Simulator

VC Koler asked for a motion to approve administration recommendation sold-source purchase of a Lincoln Electric V TEC Welding Simulator in the amount of \$59,144.85. Motion was made by Trustee Hamm the purchase of a Lincoln Electric V TEC Welding Simulator in the amount of \$59,144.85. Motion was seconded by Trustee Shumway.

Mr. Adams explained this simulator is needed in order for the welding program to be LEEDS Certified PCC must have the trainer from Lincoln Electric. Two simulators will be needed for 2021-2022 for the Kingman and Attica welding program. This purchase would be funded from Vocational Capital Outlay and Perkins Grant.

Daryl Lucas invited the students from USD 382 and USD 438 students to come on campus to view the simulators. They were impressed. A joint meeting was held with USD 382 and USD 438 with instructors, superintendent from 438, and faculty rep from 382.

With no further discussion motion pass unanimously.

Policy First Reading(s) – Dr. Calvert, President

VC Koler asked for a motion to approve the administration recommendation of no change or modification to *Policy 2-02 Statement of Philosophy*. Motion was made by Trustee Hamm to accept the administration recommendation of no change to *Policy 2-02 Statement of Philosophy* and to waive the second reading. Motion was seconded by Trustee DeClue. With no further discussion motion passed unanimously.

Information Technology Project Update:

- **Virtualization Server Upgrade Project:** Project is complete. Servers have been moved to the new environment, and all system upgrades have been performed.
- **PowerCampus/Selfservice Upgrade to Version 9:** Sub-groups of the Data Management Committee meets each Wednesday this semester to work on setting up and testing end user functionality. We have a target for rolling out the

latest version of PowerCampus and SelfService in June of 2021. This upgrade will involve downtime (upgrade/configuration/AD switch-over/Client Install).

- **PowerFAIDS 26.2 Upgrade:** PowerFAIDS has released version 26.2. IT has coordinated with the FinAid office to plan testing and roll out the latest version.
- **Updating Media in Room 312:** We have been working with several vendors to acquire project proposals.
- **GreatPlains:** IT and the Business office have been working with Microsoft Support to resolve a handful of issues. Issues have been resolved, working on preparations for upgrading the GreatPlains system after the PowerCampus is completed in June.
- **Personnel:** Interviewed two candidates and a decision made within the week.
- **Prep for Summer Projects:** Preparing for summer projects (computer lab upgrades, completing dorm wiring project, PowerCampus upgrade, GreatPlains upgrade), as well as IT needs for the graduation ceremony and Beaver Building Days.
- **Security Services:** Identified a need to bring in external support for the purposes of regulatory compliance and security of sensitive information. IT has spoken with several vendors who provide security services, and we have identified one vendor, OculusIT, who exclusively works for higher education entities. We will be requesting approval to utilize OculusIT's services as a sole-source provider. *(This was approved under Action Items at this meeting.)*

- II. Action Item:

A. Resolution No. 2021-01

Refunding Series 2012 Certificates of Participation – *Dr. Calvert and Kent Adams*

Mr. Adams explained Table 1 shows the existing debt service and interest rates on the Series 2021 Refunding COP. Table 2 shows the estimated debt service and interest rates on the proposed Series 2021 Refunding COP issue. The present value savings of \$51,815 is shown on Table 3 along with the savings each year. The greatest savings is in FY 22 with a savings of \$50,475.85. Table 4 shows the refunding sources and uses of cash. The administration recommends approval of moving forward with the financing.

Ranson Financial Group, L.L.C., Wichita, will be requesting bids from all of the local banks as well as national. Rates at the time of this meeting were holding strong. Purpose of this special meeting is to move forward and have the Board approve the proposals at the June 21, 2021 Board meeting.

VC Koler asked for a motion to approve Resolution No. 2021.01. Trustee Hamm made the motion to accept Resolution No. 2021.01 as presented. Motion was seconded by Trustee Shumway.

Discussion:

What could change the interest rates? Mr. Adams explained if there was a change in the market or action from federal reserve could drive interest rates up and make it not financially feasible for us to do. If decision was made not to refinance? This issue is a low risk and is not rated so the fees would not be substantial.

RESOLUTION NO. 2021. 01

**RESOLUTION AUTHORIZING THE OFFERING FOR SALE OF LEASE
AGREEMENT REFUNDING CERTIFICATES OF PARTICIPATION, SERIES
2021, OF PRATT COMMUNITY COLLEGE, PRATT, KANSAS.**

WHEREAS, Pratt Community College, Pratt, Kansas (the "College") has heretofore entered into and has outstanding certain lease obligations; and

WHEREAS, due to the current interest rate environment, the College has the opportunity to enter into a supplemental lease agreement, and have issued certificates of participation therein, in order to achieve an interest cost savings on all or a portion of the obligations described as follows (the "Refunded Obligations"):

<u>Description</u>	<u>Series</u>	<u>Dated Date</u>	<u>Years</u>	<u>Amount</u>
Lease Agreement Refunding Certificates of Participation	2012	05/15/2012	2022 - 2028	\$1,285,000

**THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF PRATT
COMMUNITY COLLEGE, PRATT, KANSAS, AS FOLLOWS:**

Section 1. The College is hereby authorized to offer at competitive public sale approximately \$1,330,000 principal amount of "Refunding Certificates of Participation, Series 2021, Evidencing Proportionate Interests In and Rights to Receive Payments Under a Lease Agreement" (the "Series 2021 Certificates") as described in the Notice of Certificate Sale (the "Notice of Certificate Sale") attached hereto as *Exhibit "A"* and the Preliminary Official Statement referenced herein, for the purpose of refunding and refinancing the Refunded Obligations.

Section 2. Ranson Financial Group, L.L.C., Wichita, Kansas ("Financial Advisor") is hereby authorized and directed to receive bids on behalf of the College for the purchase of the Series 2021 Certificates on May 24, 2021, upon the terms and conditions set forth in said Notice of Certificate Sale, and to deliver all bids so received to the Board of Trustees (the "governing body") at its meeting to be held on such date at said time and place, at which meeting the governing body shall review such bids and shall approve a bid or reject all bids.

Section 3. The Notice of Certificate Sale is hereby approved in substantially the form attached hereto as *Exhibit A*, with such changes and additions thereto as the Vice President of Finance and Operations shall deem necessary or appropriate, and to use such document in connection with the public sale of the Series 2021 Certificates.

Section 4. The Financial Advisor, in conjunction with Gilmore & Bell, P.C., Wichita, Kansas ("Bond Counsel"), is hereby authorized to prepare a Preliminary Official Statement, and such representatives of the College are hereby authorized to use such document in connection with the sale of the Series 2021 Certificates.

Section 5. The Vice President of Finance and Operations, in conjunction with the Financial Advisor and Bond Counsel, is hereby authorized and directed to give notice of said sale by transmitting copies of the Notice of Certificate Sale and Preliminary Official Statement to prospective purchasers of the Series 2021 Certificates.

Section 6. For the purpose of enabling the Purchaser to comply with the requirements of Rule 15c2-12 of the Securities Exchange Commission (the "Rule"), the appropriate officers of the College are hereby authorized: (a) to provide the Purchaser a letter or certification to the effect that the College deems the information contained in the Preliminary Official Statement to be "final" as of its date, except for the omission of such information as is permitted by the Rule; (b) covenant to provide continuous secondary market disclosure by annually transmitting certain financial information and operating data and other information necessary to comply with the Rule to certain national repositories and the Municipal Securities Rulemaking Board, as applicable; and (c) take such other actions or execute such other documents as such officers in their reasonable judgment deem necessary; to enable the Purchaser to comply with the requirement of the Rule.

Section 7. The College agrees to provide to the Purchaser within seven business days of the date of the sale of Series 2021 Certificates or within sufficient time to accompany any confirmation that requests payment from any customer of the Purchaser, whichever is earlier, sufficient copies of the final Official Statement to enable the Purchaser to comply with the requirements of Rule 15c2-12(3) and (4) of the Securities and Exchange Commission and with the requirements of Rule G-32 of the Municipal Securities Rulemaking Board.

Section 8. The Chair, Secretary of the Board, Vice President of Finance and Operations and the other officers and representatives of the College, the Financial Advisor and Bond Counsel are hereby authorized and directed to take such other action as may be necessary to carry out the public sale of the Series 2021 Certificates.

Section 9. This Resolution shall be in full force and effect from and after its adoption.

Revenue through April is running \$60K favorable. This compares to a favorable \$95K in March. Tuition is \$170K over budget. Ad valorem property tax is \$113K under budget. The ad valorem property tax underrun appears to be budget time-phasing and should catch up to budget in June. Motor vehicle tax is \$30K over budget. Delinquent tax is \$29K favorable. CTE funding is running \$118 unfavorable. Miscellaneous income is over budget \$63K due to payment plans.

Expenditures are running \$728K favorable through March. This compares to an underrun in March of \$537K. The underrun is good for this point in the budget year.

➤ **Resolution to Approve Homeland Security Region E Hazard Mitigation Plan**

Resolution # 20-002

Resolution #20-002: Adopting the Kansas Homeland Security Region E Hazard Mitigation Plan

Whereas, Pratt Community College recognizes the threat that natural hazards pose to people and property within our community; and

Whereas, undertaking hazard mitigation actions will reduce the potential for harm to people and property from future hazard occurrences; and

Whereas, the U.S. Congress passed the Disaster Mitigation Act of 2000 (“Disaster Mitigation Act”) emphasizing the need for pre-disaster mitigation of potential hazards;

Whereas, the Disaster Mitigation Act made available hazard mitigation grants to state and local governments; and

Whereas, an adopted Hazard Mitigation Plan is required as a condition of future funding for mitigation projects under multiple Federal Emergency Management Agency (FEMA) pre- and post-disaster mitigation grant programs; and

Whereas, **Pratt Community College** fully participated in the FEMA prescribed mitigation planning process to prepare this Multi-Hazard Mitigation Plan; and

Whereas, the Kansas Division of Emergency Management and FEMA Region VII officials have reviewed the Kansas Homeland Security Region E Hazard Mitigation Plan, and approved it contingent upon this official adoption of the participating governing body; and

Whereas, Pratt Community College desires to comply with the requirements of the Disaster Mitigation Act and to augment its emergency planning efforts by formally adopting the Kansas Homeland Security Region E Hazard Mitigation Plan; and

Whereas, adoption by the governing body for Pratt Community College demonstrates the jurisdictions’ commitment to fulfilling the mitigation goals and objectives outlined in this plan, and

Whereas, adoption of this legitimizes the plan and authorizes responsible agencies to carry out their responsibilities under the plan.

Now, therefore, be it resolved, that Pratt Community College adopts the Kansas Homeland Security Region E Hazard Mitigation Plan as an official plan; and

Be it further resolved, **Pratt Community College** will submit this Adoption Resolution to the Kansas Division of Emergency Management and FEMA Region VII officials to enable the plan’s final approval.

Institutional Core Values

PCC is committed to the success of its students, the institution and its service area. The following values, of equal weight and importance, are stated as a guide to Pratt Community College present and future operations in the performance of its mission and supporting functions.

Quality Learning

To foster a community of well-prepared learners who can successfully meet the demands of advanced academic study or entry-level employment. To provide both personal and professional development opportunities for the college's employees.

Integrity

To be fair, honest and objective in all PCC internal and external practices.

Customer Service

To provide the highest quality of customer service by delivering personal, individualized attention, and anticipating and responding to all customers' needs in a professional, polite and prompt manner.

Collaboration and Teamwork

To value the contributions of internal constituents – Board, administration and employees, working to achieve common goals and celebrating accomplishments. To develop mutually beneficial objectives and relationships with the community, business and industry.

Innovation

To use a creative, mission- driven approach, capitalizing on existing resources, to develop new growth opportunities and continuously improve internal operations.

Fiscal Viability

To maintain financial responsibility with all resources entrusted to Pratt Community College.

Diversity Statement

Pratt Community College respects, values and celebrates the diversity of our students, faculty, staff and the communities we serve, believing that diversity enriches the educational experience.

Enrollment

Enrollment stability is fundamental to Pratt Community College remaining a dynamic, student-centered institution. Enrollment stability will occur when Pratt defines in measurable terms the value it wants to create for its students and other stakeholders, including the intended outcomes. Setting and achieving enrollment goals will drive student success and support fiscal viability as well.

TRUSTEE / BOARD DEVELOPMENT & TRAVEL POLICY

1. The Pratt Community College (PCC) Board of Trustees recognizes that board education, advocacy before local/state/national legislators and government officials, fundraising, and support of PCC and community colleges in general are very important parts of the Board's role and responsibilities. Furthermore, the PCC Board recognizes that there are legitimate reimbursable expenses associated with effectively discharging their responsibilities. Board members shall be reimbursed for travel expenses to include transportation, lodging, and meals, seminar/conference fees, and other reasonable expenses. Mileage will be paid at the prevailing college rate for use of personal vehicle. Travel by plane or other public transportation will not exceed the lowest quoted coach fare. If a trustee chooses to travel by personal vehicle, reimbursement for all expenses, i.e. mileage, meals, tolls and parking will not exceed the cost of the lowest quoted airfare.
2. The PCC Board strongly encourages its members to actively pursue and take advantage of opportunities for board education beyond the borders of Pratt County. Board education involves orientation to trustee responsibilities, college finances and local, state and national issues and trends affecting community colleges. Trustees are expected to utilize the resources of the Kansas Association of Community College Trustees (KACCT) and the Association of Community College Trustees (ACCT); attendance at association conferences and meetings and KBOR meetings is strongly encouraged as a means of becoming a more qualified trustee. The Board will assure that sufficient funds are budgeted for members to attend at least one state and/or national conference/meetings annually that furthers this objective.
3. The PCC Board strongly encourages its members to participate in efforts aimed at benefiting PCC, and community colleges in general, at state and national levels. Such encouragement also extends to advocacy activities at the state and national levels with legislators, governmental officials, national organizations, businesses and influential people when the college may benefit from that advocacy. The Board recognizes that such activity is not without expense, and therefore authorizes reimbursement for reasonable and legitimate expenses associated with these activities.
4. The PCC Board also encourages its members to actively participate in fundraising activities sponsored by Pratt Community College and/or Pratt Community College Foundation, or other fundraising activities, which may benefit Pratt Community College.

The Board authorizes reimbursement for reasonable expenses associated with fundraising activities.

5. The PCC Board recognizes that Board members may incur other legitimate expenses in pursuing the continued maintenance, growth, and development of Pratt Community College such as academic events, athletic events, awards ceremonies, and other such activities. The Board may authorize reimbursement for reasonable expenses incurred by Board members engaged in such activities, and for other activities not specifically addressed here, which may benefit Pratt Community College.
6. Board members' expenses associated with the activities described herein will be reviewed monthly by the Board's Finance Committee and noted in the minutes of that committee which shall appear as part of the agenda for monthly Board meetings.

Senior Level Administrative Residency Policy

The Board of Trustees deems it necessary for senior level administrative employees to establish residency within the boundaries of Pratt County throughout their period of employment. Residency promotes interest, loyalty, and knowledge of the county's conditions by creating a feeling of a greater personal stake in the college's progress. This policy will go into effect as new senior level administrators are hired; current administrators are exempt.

"Senior Level Administrative Employees" is defined as the President and Vice Presidents of the College

VISION

Pratt Community College will be recognized as a center of excellence for higher education.

Elaboration: PCC will be mission and market driven, geographically diverse, and known for its excellence in education, business/industry training and student/customer service. Students and customers will be able to choose from a menu of quality driven, value-added traditional and distance educational programs and services. Providing outcomes-driven instruction, and support services that enhance the growth and development of our students in a learning centered environment will be an institutional priority. The college will also be known as the region's higher education center for the delivery of upper division and graduate instruction through cooperating universities. PCC will use leading edge technology for delivery of instruction and services conveniently, efficiently and effectively. The college administration will assure that a participative management environment and healthy institutional climate exist for the benefit of all constituencies. Business, industry and community leadership will partner with the college to address educational and training issues.

➤ **Faculty Report:** *Carol Ricke, PHEA President*

Carmen Forest: Annually I have Stephanie Becker, our local dietician, come to my nutrition class to do a wrap-up with questions that the students presented in their first assignment in the class. I ask for 3 Burning Questions of potential myths, misunderstandings, or beliefs they may have relating to nutrition.

Other guest speakers/activities from Carmen Forest:

- ✓ Jodi Drake came to talk about frugal/thrifty shopping and spoke about eating for college students
- ✓ Motorcycle Mary McCune came to Personal/Community class to do her financial presentation
- ✓ Rocky Robinson did a presentation on guns for my Gun Control unit
- ✓ Joy Schwartz presented about Sexual Abuse and Date Rape Culture on College Campuses
- ✓ Justin Schwab did the ALICE training for potential intruder on college campuses
- ✓ Larrison Mortuary the class took a behind the scenes tour of Larrison's Mortuary, a class favorite!

Jason Ghumm: The results of the microbiology experiments with the charging stations proved successful. Exposure to UV light did in fact inhibit the growth of microbes. In most cases killing them.

Ralph Williams: Ag Power is proud to report we have 5 sophomores completing our program this year. Mitchell Becker, employed with Prairieland Partners Winfield. Brandon Tillotson working at Prairieland Partners, Anthony. Roylin Moore in the Carrico Implement shop in Ellsworth. Hunter McCurdy is at the KanEquip Ottawa location. Tanner Smith repairs construction equipment for Andale Concrete. These 5 and

thousands like them will keep America producing food, rolling and building with their diagnostic and repair skills.

Paul Primrose & Jason Ghumm: Jason Ghumm, a student and myself will be going to Hannah Barillo's 5th grade class at Skyline to put on a short 30 minute science demonstration, "Fun with Gases". We are going to have three demonstrations with the last one being an implosion of a 55 gallon barrel. Emily Yell, PCC Marketing, will thankfully be able to come and capture a few of the moments with the students.

Carol Ricke & Jenny Egging: Students from Jenny Egging's classes and my Microeconomics class were able to participate in a live Webinar titled **COVID-19 Effects on Institutions and Economic Policy** with Jim Gwartney and Tawni Hunt Ferrarini.

Work-Life-Enrichment

The Monthly Work Life-Enrichment Zoom presentation took place on April 14, 2021. Head Cheer Coach Shae Napier presented the In-Outs of Cheerleading and the challenges they face providing an inside look of PCC Cheer Program and Accomplishments.

On May 12th, 2021 at 2pm a presentation on "Violent Critical Incidents" occurred discussing techniques used at PCC during violent critical incidents for faculty, students, and staff. We discussed the ALICE program (Alert, Lockdown, Inform, Evacuate).

The next Work Life-Enrichment Zoom presentation will occur on June 9th 2021. Jacquelyne Leffler from Leffler Prime Performance will present the pros & cons of selling directly beef to the consumer, talk about the market, and provide information about her family's operations pre-covid and after. We feel this will be an educational presentation that will discuss the benefits of buying direct vs that from a grocery store.

Staff Senate works hard throughout the year exploring new ideas for presentations, however it can be difficult to come up with ideas at times that draw an audience or are beneficial to our faculty & staff, therefore we are asking for your help. If you have an idea or connection to someone that has a subject or topic that may be beneficial or interesting to our faculty, and or staff here at PCC please feel free to email our chair of the "Work-Life-Enrichment" committee Donna Meir Pfeifer with your ideas. With the ability to utilize zoom, we can now reach out to outside agencies, organizations, and individuals that have interest in presenting.

2021 Goals

At our most recent meeting on Tuesday, May 11, 2021 the Senators discussed the current Maternity & Paternity Leave policy and are exploring options for changes that do not require an individual to use all vacation/sick time prior to FMLA.

Staff Senate is actively working to prioritize goals that have been discussed while in session. And are preparing to hold meetings with the Presidents Cabinet to present proposals and provide updates on issues presented during Staff Senate Surveys.

Officers

Staff Senate is in the process of electing officers, and preparing to hold elections for new members including that of the Vice President seat. Additionally, I would like to take this time to thank everyone for the opportunity and experiences that were afforded to me during my time at PCC. I will be passing on the President Position to Sarah Binford whom will resume all responsibility and duties of staff senate, as I have turned in my resignation and my last day at PCC was on May 15, 2021.

Thank you for allowing me to be a part of the PCC Family. – Justin Schwab

Staff Senate Meeting

Staff Senate is comprised of several talented and well-informed individuals from across campus that are committed to working for you and improving our workplace culture. Staff Senate meetings are open to all faculty, and staff at Pratt Community College. We welcome your attendance at meetings which are held biweekly via zoom or in person in room #312 of the Riney Student Conference Center @ 08:30am. You can request a meeting invitation by emailing justins@prattcc.edu or sarahb@prattcc.edu.

Please feel free to visit the Staff Senate webpage and submit any additional issues/concerns/suggestions that Staff Senate can clarify or help advocate on the behalf of all staff at Pratt Community College. The purpose of Staff Senate is to provide input to President's Cabinet on:

1. Work related issues/concerns/suggestions raised by staff in an effort to improve staff morale
2. To recommend staff development activities which will provide opportunities for professional growth, enrichment, and improved productivity in the institution's working environment
3. Assist all staff in supporting the college mission

Information Technology Project Update:

- **PowerCampus/Selfservice upgrade to version 9:** Departments are testing the system, and IT is working on additional configurations. We are still on target for rolling out the new version in June of 2021. This upgrade will involve downtime (upgrade/configuration/AD switch-over/Client Install).
- **Updating media in room 312:** We have received quotes from three vendors, and we are now working on developing plans to present setup options based on quoted pricing.
- **GreatPlains:** Now that the issues have been resolved, we are working on preparations for upgrading the GreatPlains system soon after the PowerCampus is completed in June.
- **Personnel:** We are excited to announce that we have hired a new person to fill the Computer Center Support position. Pake Sipes is currently a student in the INT program, and will be joining our team fulltime after graduation.
- **Prep for summer projects:** We are preparing for summer projects (computer lab upgrades, completing dorm wiring project, security camera upgrades, switch upgrades, PowerCampus upgrade, GreatPlains upgrade), as well as IT needs for the graduation ceremony and beaver building days.
- **Security Services:** We have signed a contract to leverage security operations services from OculusIT, and we are now in project discovery phase. We will be working throughout the summer to setup servers that will be used by our security team.
- **Security Auditing Services:** OculusIT will also be working with us throughout the summer to perform security audits. The result of these audits will be suggestions about policies and procedures to ensure that we remain compliant with cybersecrity regulations and standards.

Data Services Department Update:

- KBOR Excel in CTE (formerly SB155) Collection has been submitted
- Finalizing the SPuR Feedback Reports for the Academic and Technical Programs.

Scholarship Auction

As of 5/10/21 the total amount raised from the auction is \$55,235. We will be sending out an appeal by mail and email for additional donations to help us reach or exceed our goal of \$60,000.

We are pleased to report that every Trustee and all members of the PCC Administration made gifts to the auction as a donor and/or buyer. Every member of the Administration provided an auction sponsorship. Thank you!

Capital Campaign

We would like to say thank you to Michele and Kevin Hamm for their recent gift of \$2,000 in support of the Track and Soccer Project.

Now that the auction is complete, we will be in contact with Skyline to hopefully finalize an agreement to bring them into the community partnership on the Track and Soccer project.
