General Information

History of Pratt Community College

Founded in 1938, Pratt Community College offers broad-based educational programs that meet the diverse needs of South-Central Kansas. Situated on an 80-acre campus in Pratt, Kansas just 75 miles west of Wichita, the campus offers modern, state-of-the-art facilities.

The primary campus infrastructure was finalized in 1968, consisting of the Benson Education Center and Novotny Residence Hall. Porter Residence Hall was added in 1982, followed by Gwaltney Hall the next year. Subsequent expansions saw the addition of Beck Residence Hall in 1985, an indoor rodeo facility in 1986, and an auto/diesel facility in 1987.

The Student Conference Center was established in 1989. The original Electrical Powerline Technology building joined the campus in 1991. Beginning in Fall 2024, EPT classes were relocated to the newly completed EPT facility. Further growth included the completion of North Residence Hall in 1998. The campus also features outdoor rodeo facilities, the Dennis Lesh Sports Arena, and Stanion Baseball Field, which was recently renovated. Additional facilities such as Dudrey Scholarship Hall and Chandler Hall were added in 2002 to accommodate expanding classes and resident student numbers. The Dr. William Wojciechowski Hall Apartments opened in the Fall of 2010. In 2022, the PCC Welding Technology Program relocated to a newly remodeled facility at the Pratt Regional Airport Industrial Park. In 2025, the Pratt Electrical Power Technology program moved to a new classroom building on campus to accommodate the growing numbers of the program.

PCC is an educational institution open to all who desire to continue their education. High school graduates will find that PCC offers the general education courses they need to transfer to a four-year institution. Those interested in entering the workforce after one or two years of college will find technical programs designed to prepare them to compete for jobs in their chosen fields.

Accreditation

PCC is an accredited institution of higher education, having been formally recognized and accredited by a number of agencies. The accreditation assures the acceptance of PCC credits on an equal standing with all accredited institutions, not only in Kansas, but also throughout the United States. PCC is accredited by the Higher Learning Commission. For accreditation information: The Higher Learning Commission, 230 South LaSalle Street, Suite 7-500, Chicago, IL 60604. 1-800-621-7440 <https://www.hlcommission.org/>

Programs are approved for veterans training, the Kansas Department of Social and Rehabilitation Services, the American Council on Education General Education Development Program and many other state and federal educational agencies. Industry specific accreditation has been granted by Automotive Service Excellence (ASE), the Association of Collegiate Business Schools and Program and the Kansas Department of Aging and Disability Services.

The Pratt Community College (PCC) Accounting and Business Department is one of only five community college business programs in the state of Kansas accredited by the Association of Collegiate Business Schools and Programs (ACBSP). This requires the department to annually prove that it meets the high academic standards set by the accrediting body. This ensures that students attending this program receive some of the finest business instruction and training available in Kansas. To find out more about ACBSP visit their website at www.acbsp.org.

The Automotive Program at PCC has received ASE Training Program accreditation by the ASE Education Foundation. To achieve this coveted recognition, the PCC's Automotive Program underwent rigorous evaluation by the ASE Education Foundation. Nationally accepted standards of excellence in areas such as instruction, facilities, and equipment were used.

Statement of Philosophy

Students are provided opportunities for academic, personal and career growth in a student-centered learning environment.

Elaboration: The Board of Trustees and the college administration are accountable to the public to provide for open admissions and accessibility through both traditional and non-traditional delivery systems.

Consistent with this philosophy, Pratt Community College supports the policy of open admissions believing it is critical to assuring a viable educational opportunity for all potential students. The policy will be administered to assure access to the college and all of its services. Implicit in the college's mission statement is producing completers qualified to perform in their fields of study. Therefore, open admissions provide the first step to qualifying entrance into a program of choice while recognizing varying abilities and backgrounds of students. Quality instructional programs based on the assessment of learning outcomes provide the means for student learning and fulfilling educational objectives.

Student Responsibility

Pratt Community College students are expected to conduct themselves in such a manner as to uphold, and not detract from, the good name of the college and fellow students by full recognition of their responsibilities under the law and moral and social standards of the community, state, and nation. The Constitution and laws of the State of Kansas confer on the State Board of Education broad legal authority to regulate student life, guided by constitutional standards. In exercising this authority, the college is also guided by consideration of educational policy. VIOLATIONS OF KANSAS LAWS WILL BE TURNED OVER TO THE POLICE OR SHERIFF'S DEPARTMENTS FOR ARREST AND PROSECUTION. STUDENTS WILL ALSO RECEIVE DISCIPLINARY ACTION BY THE COLLEGE.

Student Disciplinary & Due Process

Disciplinary Process

The rights of the individual at PCC deserve the respect and protection of the administrators, faculty and staff. To assure the fair treatment of each individual, rules of disciplinary process have been developed and are in effect. The main objectives of the disciplinary process are to protect members of the campus community from harm due to the indiscretion of those on campus who are unable or unwilling to respect the rights of others and to assure students the right of due process if they have been charged with violating college rules and regulations.

Educational Sanctions

Besides the sanctions of written warning and probation, educational sanctions and possible community or campus service may also be required.

Student Due Process Procedures

The Board of Trustees, administration, and faculty recognize the right of a PCC student, as an adult member of society and as a citizen of the United States of America, to the constitutionally guaranteed freedoms of speech, assembly, and peaceful association, which shall be diligently protected. PCC will guard these rights on behalf of all persons associated with the institution or group.

If disciplinary action against a PCC student is initiated, a speedy and fair hearing before the appropriate college official, committee, or both is guaranteed. Decisions of officials and committees charged with disciplinary responsibilities may be appealed through the appropriate process and channel to the President of the College, who may elect to either render a direct decision or refer the case to a disciplinary panel. The decision of the President, regarding such matters, will be final.

PCC students have four opportunities for due process relating to:

- Athletics
- Academics
- Residence hall infractions
- General student conduct, unrelated to areas identified above

The President, or in his absence, the next ranking administrator has the authority to suspend a student from campus immediately without a hearing when the student appears to pose a danger to others. The student can return to the campus for an appeal but cannot reside on campus until the appeal is heard. **The final appeal of students dismissed from classes is the President.** Notice of appeal must be received in writing to the President within 48 hours or two business days of the President's decision. If a student is suspended as a result of disciplinary action on a Friday or the day before a holiday, the 24-hour rule for appeal is extended to the next school day when the notice of suspension occurs.

Athletic Department Due Process Procedures

All athletic department procedures will be outlined by the Athletic Department Handbook, distributed to all athletes prior to the start of practice and competition play. Disciplinary actions imposed by the coach / Director of Athletics does not supersede disciplinary action imposed by the Vice President of Student Services.

Academic Due Process Procedures

The following procedure will govern all matters of academic appeal brought by students:

To appeal a final course grade, the student must do so within 90 days of the end of the semester.

To appeal a particular grading practice, a charge of academic dishonesty, or any other course related academic decision, the student must do so within three (3) days from the date of the event or notification. The student shall request an informal meeting with the instructor to discuss and attempt to resolve the dispute as the initial step of an academic appeal.

The student may appeal a decision of an instructor by filing a **written notice of appeal with the Vice President of Instruction, within five days** of the date of the informal meeting, setting forth therein the specific decision being appealed and stating all reasons to be relied upon by the student as justifying a reversal of the instructor's decision. Additional documentation may be requested from either the student or the instructor. The vice president will render a written decision within five days of the date of receiving the written appeal.

The student may appeal the decision of the vice president to the president of the college by filing a written request for review set upon by the student as justifying a reversal within five days of the date of the decision being appealed. The president may grant or deny in writing the requested review after reviewing all relevant documents related to the request. If a requested review is granted by the president, he or she will conduct a hearing within 10 days from the date of the filing of the request for review. If the president denies the request for review, written notice shall be given to the affected instructor and student within 10 days from the date of the filing of the request for review. The decision of the president regarding such matters will be final. A student shall have the right to have a designated representative if a hearing is held.

Note: A student who is dismissed will not be readmitted without written permission from the Vice President of Instruction.

Residence Hall Due Process Procedures

It is the responsibility of every residence hall resident to be conscious of the rights and privileges of other residents and understand and accept fully the rules and regulations governing the residence halls and the college. The Director of Residence Life/Resident Supervisors/Student Resident Assistants have the responsibility and authority to require proper conduct of all students and guests of the residence halls at all times. Repeated failure to comply with college guidelines and/or insubordinate attitude toward all personnel working with the residence halls will result in disciplinary action.

Disciplinary action will be directed through the Director of Students & Residence Life and may include warnings, monetary fines, educational sanctions, probation, dismissal or other sanctions as specified through college policies or regulations. The Director of Students & Residence Life will notify the student of disciplinary action in writing.

The following procedure will govern all matters of appeal brought by residence hall students:

1. Notification of infraction and sanction to student in writing by the Director of Students & Residence Life.
2. Student appeals in writing to the Vice President of Student Services, stating specific reason for appeal and providing evidence to support appeal, within 24 hours of receiving notification from Director.
3. Vice President renders a written decision and informs student.
4. Student appeals the Vice President's decision to the President in writing within 24 hours.
5. President renders a decision and informs student in writing.
6. Decision of the President is final.

General Student Due Process Procedures

The following procedure will govern all matters of appeal brought by students for general disciplinary actions not related to athletics, academics, or the residence hall:

1. Notification of infraction and sanction to student in writing by the Vice President of Student Services.
2. Student appeals the Vice President's decision to the President in writing within 24 hours.
3. President renders a decision and informs student in writing.
4. Due process action stops with the President.

Hearing Panel Procedures

NOTE: For selected actions appealed to the Vice President or President, he or she may decide to appoint a hearing panel to make a recommendation.

Hearing Procedures: At the hearing, the student shall be provided the opportunity to be present while each witness testifies, or affidavits are considered by the hearing panel as to the alleged violations committed by the said student. The disciplinary hearing panel shall be authorized to receive either oral testimony or written affidavits or witnesses in support of the alleged violations committed by the said student. Affidavits of witnesses should be used only in the absence or unavailability of the witness to appear in person. The affected student shall have the right to be represented by legal counsel or other designated representative at the hearing. If a student chooses to be represented by legal counsel, the student must notify the Vice President or President at least two workdays prior to the hearing. After each witness completes his or her testimony, the student or designated representative will have the right to question each witness concerning that witness's testimony. The student or designated representative shall be provided the opportunity to present defense and produce either oral testimony or written affidavits of witnesses on his or her behalf. The student shall be permitted an opportunity to inspect any affidavits immediately prior to such hearing. A complete admission of guilt at the hearing before the hearing panel will require no further proceedings, except that the student shall be offered the opportunity to present evidence of character, scholarship, or previous record of good conduct for consideration by the hearing panel.

Trier of Fact: The PCC campus disciplinary hearing panel shall consist of not less than three (3) individuals to be appointed by the Vice President or President of PCC, or in their absence, the next ranking administrator. The panel may include members of PCC faculty, administrators, residents of the community, full-time students of PCC, or any combination thereof.

Time of Hearing: The PCC disciplinary hearing panel shall take place within 10 days from the date of the filing of the request for review. The disciplinary hearing shall not be open to the public.

Review Procedure: A student may request review of the findings of the disciplinary hearing panel by submitting a written statement to the PCC Vice President or President, stating the desire to have the decision rendered by the disciplinary hearing panel reviewed, indicating:

- the name of the affected student and
- the nature of the alleged misconduct

In addition, the application for review should have attached a copy of the decision rendered by the disciplinary hearing panel which the student desires to be reviewed by the Vice President or President. A request for review must be made within 24 hours (one school day) following the disciplinary hearing panel's decision. The application for review must be dated and signed by the person making the application. The President shall approve, disapprove, or modify the disciplinary hearing panel's recommendations or decisions within ten (10) calendar days of the receipt of the application for review and shall inform in writing all interested parties of his decision. The President shall designate the college official that shall take the necessary and appropriate action on behalf of the College to enforce the decision.

Processing Student Complaints

- A formal student complaint has been defined by Pratt CC as "An issue, complaint or problem relating to instruction, college services, facilities, or other operational aspects of the college presented in and signed by the student(s). "This complaint procedure is designed for issues other than academic or disciplinary appeals (see "Student Due Process Procedures" in the Student Handbook and College Catalog for information). The student complaint must be written and signed by the student to allow for proper

follow-up and resolution. A student complaint form is available on the college website home page in the Quick Links box or a written complaint can be filed in the office of the Vice President of Student Services (college services), Vice President of Finance & Operations (facilities), or Vice President of Instruction (academic) relative to the complaint. For full policy and process refer to the PCC website: [Administrative Policy 600-05](#).

- Complaints regarding State Authorization Reciprocity Agreement (SARA) courses (distant education courses, activities, and operations provided by PCC to students in other SARA states) should be filed in writing by students enrolled in those courses to the Vice President of Instruction at PCC. If a student bringing a complaint is not satisfied with the outcome of the institutional process for handling complaints, the complaint (except for complaints about grades or student conduct violations) may be appealed, within two years of the incident about which the complaint is made, with the Kansas Board of Regents office: https://www.kansasregents.gov/resources/PDF/Academic_Affairs/3257-ComplaintForm_SARAINstitutions.pdf

Academic Probation and Dismissal

If a student's grade-point-average falls below 1.5 for any semester, a student is considered to be doing probationary level work. After one semester of unsatisfactory work, a student is placed on academic probation with the expectation that grades will improve the following semester. A student on probation may be dismissed at any time for failure to attend classes regularly or for failure to make satisfactory academic progress. Students performing probationary level work will be informed of such status by letter. Student transcripts will be marked to indicate "Academic Probation" or "Academic Dismissal." A list will be forwarded to the Vice President of Instruction for dismissal/action. A student who is suspended **will not** be readmitted without written permission from the Vice President of Instruction.

A student whose academic performance and/or behavior is judged unacceptable may be placed on administrative probation or dismissed at any time.

Grade Appeals

Final course grades are to be awarded as per the criteria established in the course syllabus. If the student believes that a grading error has been made, the student should follow the established Academic Due Process as listed in the current college catalog.

Financial Assistance Appeal Process

Students who do not comply with the "Satisfactory Academic Progress" have the opportunity to submit a written appeal to the Financial Aid Director if unusual circumstances have affected the student's academic progress. The Financial Assistance Committee will review the written appeal. The decision of the committee will be final. If the student is making satisfactory academic progress and attending classes at mid-term, financial aid will be disbursed.

Students who do not qualify under the criteria listed above may be admitted by the registrar as guest students. Students on probation at other institutions may be admitted. Each applicant is considered individually. While there are no examination requirements for general admission, Pratt Community College requires all degree-seeking students to take an assessment test for placement in English and mathematics prior to registration in classes. The assessment test is offered during pre-scheduled early enrollment days, on the day of registration, and at other publicized dates or by appointment. Students may also qualify for entry into English and math classes through their high school GPA (7 semesters) and/or ACT test scores.

Special Students

Special students are identified as people who have already earned a degree or who do not wish to complete a degree from PCC but wish to enroll for personal enrichment.

Transfer Students

Students transferring from another post-secondary institution are required to follow the same admission procedures stated for admission of first-time students. An official transcript of all post-secondary course work is required to be on file in the Student Services Office prior to enrollment.

Veterans and Children of Deceased or Disabled Veterans

Pratt Community College has been approved to offer educational benefits under the various G.I. Bills. The college and students must comply with all procedures and requirements governing the act under which the student is being granted educational funds. Academic Services

Class Load Recommendations

Full-time students normally carry between twelve and eighteen credit hours per fall or spring semester or nine credit hours per summer semester. Students may take up to twenty-four credit hours per fall or spring semester or twelve credit hours during the summer session with the approval of their academic advisor. Credit hours for performance classes (e.g. Varsity Sports, Applied Ag Techniques, Band) do not count toward the twenty-four credit hour limit. Additional credit hour enrollment must be specifically requested and approved prior to enrollment. This enrollment restriction has been established to prevent excessive enrollments that do not benefit students.

Students may petition the Vice President of Instruction to exceed twenty-four credit hours per fall or spring semester or twelve credit hours per summer session if the following criteria are met.

Students must have earned a minimum cumulative grade point average of 2.80 for a minimum of sixteen college credit hours (transcript must be attached to the Overload Petition) and/or demonstrate proof of good, recent academic performance (ex. most recent transcript).

The request must be submitted on the Overload Petition that documents the student's reasons for the special request. The petition must be signed by the academic advisor as well as the Vice President of Instruction. The Vice President of Instruction's decision whether to grant the special permission will be based on the factors provided by the student and the recommendation of the student's advisor.

Academic Honesty

Students at Pratt Community College are expected to demonstrate honesty and integrity as they work to complete their academic requirements. Students must refrain from cheating, plagiarizing, misrepresentation, or other acts of academic dishonesty. This includes using Artificial Intelligence (AI) technology to produce work that is represented as the student's own work.

Students engaged in academic dishonesty may be disciplined by their instructor. The discipline may involve the following action: recording a zero grade for a paper or exam, deducting points or letter grades, requiring repetition of work or exam, or failing the course. Instructors are required to file an Incident Report for each incident of academic dishonesty that identifies all students involved and the actions taken. Additional disciplinary sanctions including academic probation, suspension, or expulsion from college may be imposed by the administration.

Students charged with academic dishonesty have the right to appeal any action or decision and are assured of due process by the college. Academic Due Process states the time restraints and procedures to be followed in exercising an appeal. This process can be found in the policies section of this handbook. A student who files an appeal will be allowed to attend the course in question until a final decision is made. A student has the right to select a designated representative to assist in the appeal process, if desired.

College-Wide Attendance Policy

Pratt Community College is an attendance-taking institution. Instructors enter attendance for all classes other than those fully online. Instructors may withdraw students for excessive absences as defined in each course syllabus.

Instructors also explain their make-up work policy in the syllabus as well. (Students who are absent due to PCC activities and who have made prior arrangements by contacting their instructors about the absence are allowed to complete missed work.) Note: The specific instructor attendance expectations and a link to the College-Wide Attendance Policy shall be included in each class syllabus.

Academic/Attendance Alerts

Academic/Attendance Alerts are an early indication that students are having difficulties meeting course requirements. Experience has shown that early contact with struggling students is critical for student success. Academic/Attendance alerts are generated at the discretion of individual instructors. Academic/Attendance Alerts are distributed to the student, advisor, coach, or activity sponsor, the Student Success Center, and other key stakeholders on a need to know basis.

Grading System

Course grades at Pratt Community College are earned by students and awarded by faculty. Upon completion of the course the instructor certifies all final course grades on the official grade roster according to the timeline established by the Registrar.

The final course grades awarded by faculty are based on the work and grades earned by students through the official end-date of the course. No grading consideration can be given for late work that has not been received and graded prior to the completion of the final grade roster.

Under exceptional circumstances as outlined below, an instructor may issue an "I" grade (Incomplete) that provides the student with additional time to complete course work before her/his course grade is calculated and posted on the student's transcript. The "I" grade is the only institutionally approved method of allowing students to submit work for grade consideration following the official end-date of the class.

Grade changes can only be made by the instructor with the approval of the Vice President of Instruction or through successful appeal through the Academic Due Process.

Pratt Community College awards one of the following grades to each student officially enrolled in each course:

- A** Excellent achievement, course outcomes standards met, credit given, four grade points per semester hour.
- B** Above average achievement, course outcomes standards met, credit given, three grade points per semester hour.
- C** Average achievement, course outcomes standards met, credit given, two grade points per semester hour.
- D** Below average achievement, course outcomes partially met, credit given, one grade point per semester hour. A student who receives a "D" grade should strongly consider repeating the course in an effort to achieve a stronger outcome. Many courses require "C" or better" grade in prerequisite course work.
- F** Failing achievement, course outcomes and/or participation requirements not met, zero credit given, zero grade points calculated per semester hour.
- I** Incomplete, zero credit given, zero grade points per semester hour. Temporarily recorded as a grade when the instructor of the course determines that the student should be granted an extension of time to complete the course work. Typically, this extension is granted only for circumstances beyond the student's control. The incomplete grade is not intended for use to extend time because the student failed to complete course work during the officially scheduled class dates. To issue an "I" grade, the instructor must process an Incomplete Grade Contract that includes the plan and approved timeline for completion of the course. The contract may provide for extended time up to a maximum of one semester. At the date specified, or after one semester from the date of issuance, an "I" grade automatically converts to an "F" grade unless the instructor has previously awarded another letter grade. When the grade is changed from an "I", it is included in the student's grade point average calculation.
- P** Passing work, credit given, zero grade points per semester credit hour. This grade is not included in the grade point calculation. This grade may only be used if the instructor has received permission from the Vice President of Instruction prior to offering the course. The request to take a course on a Pass/Fail basis must be made before the course begins.
- W** Withdrawal, zero credit, zero grade points per semester hour. This grade is automatically given when a student officially withdraws from a course after the certification date. No student-initiated withdrawals are permitted after 75% of a course is completed.
- AU** Audit, zero credit, zero grade points per semester hour. A student must receive permission of the course instructor and the Vice President of Instruction prior to enrollment to audit a course.

Mid-Semester Report

By a designated date near the mid-term of the fall and spring semesters, instructors calculate each student's mid-semester grade which is intended to be a progress report. The mid-semester grade does not necessarily reflect 50% of the final grade of the class. Mid-semester grade reports are not normally provided for summer or short-term classes. It is the student's responsibility to seek desired feedback concerning graded work and performance.

Grade Appeals

Final course grades are to be awarded as per the criteria established in the course syllabus. If a student believes a grading error has been made, the student has 90 days from the end of the semester to appeal by following the established Academic Due Process as printed in the current College Catalog.

Academic Probation and Dismissal

If a student's grade-point-average falls below 1.5 for any semester, a student is considered to be doing probationary level work. After one semester of unsatisfactory work, a student is placed on academic probation with the expectation that grades will improve the following semester. A student on probation may be dismissed at any time for failure to attend classes regularly or for failure to make satisfactory academic progress. Students performing probationary level work will be informed of such status by letter. Students who are placed on Academic Probation for two subsequent semesters may be academically dismissed if they have not shown improvement during the second semester of their probation. Student transcripts will be marked to indicate "Academic Probation" or "Academic Dismissal." A list of students who are identified as being subject to Academic Probation/Academic Dismissal will be forwarded to the Vice President of Instruction for dismissal/action. A student who is suspended **will not** be readmitted to PCC without written permission from the Vice President of Instruction. All degree seeking students as well as high school students are eligible for inclusion in the probation/suspension report calculation.

Administrative Dismissal

A student may be dismissed at any time for violation of the Pratt Community College's Code of Conduct, failure to meet financial obligations, or failure to meet academic standards and college standards. A student who is administratively dismissed will receive a grade of "F" in classes that have certified, will be dropped from classes that have not been certified, and administrative dismissal will be notated on the official transcript. Students have the right to appeal by following the established Academic Due Process Procedure.

Final Examinations:

Final examinations will be given according to the schedule of examinations distributed by the Vice President of Instruction each semester. All classes must meet at the time and place designated by the final examination schedule unless an exception has been approved in writing by the Vice President of Instruction. Short-term class finals will be scheduled per course instructor. Final examinations are expected to be a rigorous assessment of the student learning expectations/outcomes of the class. Instructors are to ensure final examinations and/or alternative instruments require students to utilize all, or most, of the time scheduled.

Students are expected to take the final exam at the scheduled time. Only true emergencies will be considered for exception, and exceptions require written, prior approval from the Vice President of Instruction. **Students are not to make any arrangements (including travel) that conflict with the final exam schedule.** Students who have three or more consecutive exam periods on the same day may request a special exam schedule by contacting the Vice President of Instruction by the deadline noted on the final examination schedule.

Repeating a Course

Students may repeat a course. Each grade is recorded on the student's transcript. Repeated course(s) will have brackets around the most recent grade. Previous grades are not used in grade point calculation or credit earned calculations. The most recent grade earned is used for GPA and credit earned calculation even if that grade is lower than the grade earned in previous attempts. The original grade will stand if the student repeats the course and then withdraws from it. Should an Incomplete grade be awarded when the student repeats the course, the original grade stands until the Incomplete grade is removed. Courses designed for multiple enrollments may be repeated with the multiple grades recorded and used in grade point average and credit earned calculations.

Requirements for Graduation

Graduation requirements for all students enrolled in PCC associate degree and certificate programs are outlined in the college catalog. Students must successfully complete degree and/or certificate requirements. These requirements differ, depending upon the degree/certificate being earned.

- 1) For students seeking the Associate of Science, Arts, or General Studies degree, requirements are determined by:
 - a. those catalog requirements listed for the academic year when the student is identified as a first-time, full-time student or
 - b. those catalog requirements listed for the academic year when a part-time student has earned more than 15 credit hours from PCC. The summer session does not count as a semester for catalog compliance purposes.
- 2) For students seeking an Associate of Applied Science or technical certificate, degree/certificate requirements are determined by those catalog requirements listed in the year when the student identifies the technical program. If the student changes from one technical program to another or from an academic program to a technical program, the catalog requirements in place for the year of the change are followed, regardless of the student's prior PCC year of entry.
- 3) All candidates for graduation must have earned a minimum of 15 credits hours from PCC.
- 4) All candidates for graduation must have earned a minimum cumulative GPA of 2.0.
- 5) Candidates who have not earned credit from Pratt Community College for two or more consecutive sessions (not including summer) must meet the certificate and/or degree requirements of the catalog for the academic year of their return.

Academic Awards

The following honors and awards will be recognized at Pratt Community College:

President's Honor Roll 4.0

Dean's Honor Roll 3.5-3.99

Graduation Honors

***Summa Cum Laude – With Highest Academic Distinction (GPA 3.90-4.0)

**Magna Cum Laude – With Great Academic Distinction (GPA 3.75-3.89)

* Cum Laude – With Academic Distinction (GPA 3.5-3.74)

A student must have full-time (12 credit hours) status per semester (corequisite support and zero level courses excluded) to qualify for Academic Awards as outlined in the PCC catalog. A minimum of 24 credit hours of courses deemed eligible for graduation must be taken through Pratt Community College to qualify for the Summa Cum Laude, Magna Cum Laude, and Cum Laude honors. Performance courses are excluded in the calculation for academic award eligibility.

Degree Requirements for Area of Study (Major) and Transfer

Degree requirements apply to all students who will receive a degree, regardless of their area of study.

Requirements for all degrees and certificates are listed in the catalog and should be followed. Special assistance in course selection will be provided by a designated advisor.

While each student's advisor and the Registrar will assist students in determining the specific courses needed for the chosen area of study, it is the student's responsibility to select classes leading to degree/certificate completion at PCC and the transfer institution. Students should establish contact as early as possible with the institution where they plan to earn a bachelor's degree. The Registrar can recommend a reliable contact at each of the six state universities and at most of the private colleges in Kansas. Advisors maintain close ties with their departmental counterparts at other colleges and universities.

Exception to Degree Requirements

If a student provides evidence that their planned transfer institution has degree requirements which are in conflict with the degree requirements of Pratt Community College, the student may petition with the Vice President of Instruction for a waiver of PCC requirements.

Many students who attend Pratt Community College intend to transfer to a four-year university. These students are strongly advised to begin narrowing their choices of four-year universities as soon as possible. Universities and most major departments within universities have their own specific degree requirements. PCC works closely with all six state universities as well as the state's independent colleges to help ensure general education courses will be accepted with no loss of credit. This does not, however, diminish the responsibility that the student has to be familiar with degree requirements at the four-year institution and to enroll in the appropriate courses toward those requirements.

Degree Audits

Degree Audits are an official record of a student's graduation status; the audit indicates the courses completed by the student and the courses needed by the student to graduate. A Degree Audit is an essential record of the student's progress. Students should complete a Degree Audit Request form on the PCC website at the beginning of each semester after they have completed 25 to 30 hours of college credit. A copy of the degree audit is to be kept in the student's digital file.

Linda Hunt Memorial Library and Learning Resource Center

The mission of the Linda Hunt Memorial Library is to support and enhance the learning and research experiences and research of students, faculty, and staff of Pratt Community College as well as all external constituents. These services sustain the associate degree programs certificate programs, business/industry training programs, and continuing education programs by creating an umbrella of social and interactive learning services.

The LRC/Library has a collection containing an assortment of volumes. Through the Pratt Community College webpage, students access online learning resources, and additionally access the State Library of Kansas database and research sites. This facility is designed for research and study, as well as a place to gather with friends and work/project groups. The library is located at the north end of the main building of PCC. Library services include computer workstations plus free Wi-Fi, all of which may be used to access the Internet and online catalog system. Library services include Windows 10, laptop check-out service, inter-library loan, free student B&W printing, copier access, and scanning. There is a charge of 50 cents per page for color copies. Books may be checked out by students and community members for three weeks at a time and may be renewed as needed. Students are responsible for the cost of replacement of material if it is lost, damaged, or not returned at the end of each semester.

Hot and cold beverages as well as snacks are available for student purchase. Snack purchases support free printing for students.

Tutoring Services

Although instructors at Pratt Community College are readily accessible to their students, sometimes students need additional help. Students attending PCC can access the Tutoring Center, located in the Linda Hunt Memorial Library. Peer tutoring is available for a variety of subjects. Individual appointments are not needed; tutor schedules are posted in the library and around the campus. Students needing assistance simply visit the Tutoring Center during scheduled tutoring hours. Pratt Community College also offers virtual tutoring for most courses through Tutor.com. This is a free resource that students can access through their Canvas courses. Students with questions or issues logging onto Tutor.com should contact the Student Success Center staff. Both tutoring services are free of charge.

Financial Aid & Cost

Financial Aid

The administration, faculty, and staff at Pratt Community College believe in quality education. They also realize that financial assistance is necessary to make education possible for many students. More than \$200,000 in academic scholarships is available annually through the PCC Foundation. The following information is intended as a brief overview of the types of financial aid available. Detailed information may be obtained from the Financial Aid Office.

Schedule of Tuition and Course Fees

NOTE: All amounts are subject to changes in the policies of the Pratt Community College Board of Trustees, the Kansas State Board of Education, the Kansas Board of Regents, and the Kansas State Legislature.

Tuition and Fee Costs are available on the college website at: <https://prattcc.edu/cost-information>

Tuition and Fee Payment Policy

All students are required to pay in full all charges for tuition, fees, housing and meals, or to create a payment plan by the beginning date of classes. Those students eligible to receive federal financial aid (Pell Grant, FSEOG Grant, student loans) and for whom the college has received all required documents for financial aid prior to August 1 will be required to pay only the difference between the amount awarded and the amount due by the beginning date of classes. Students that have not returned and/or completed required documents, including verification, by August 1 must pay in full or sign up for a payment plan. The college accepts all major credit cards including Visa, MasterCard, Discover, and American Express. A late processing fee of \$100 will be assessed if all financial aid paperwork is not completed by August 1.

Students without financial aid in place will be required to set up an online payment plan or pay in full to be able to move into residence halls or attend classes.

Payment Plan

A payment plan is available and requires that students have a credit card or a bank account. If students elect to set up a payment plan, there is a one-time charge of \$35. Payments can be set up over a period of two to five months and a down payment of 0 to 33% is due at the time of signing. The payment plan options available depend upon when the payment plan is established. More information is available at <https://prattcc.edu/financial-information/online-payment-plans-pcc-students-and-edukan-students>

Students Not Receiving Federal Financial Aid

Refunds will be calculated and disbursed to eligible students who officially withdraw from classes. An eligible student is one who has paid all charges by cash, check or credit card. Official withdrawal is defined by the date the withdrawal form is picked up from the registrar. Refunds will be made to eligible students within twenty (20) working days of the official withdrawal date. Add/Drop forms are available within Etrieve.

Full-time students (Enrollments of 12 hours or more):

- One full week after first class period = 100% refund of tuition and fees on classes
- After first week = No tuition and fee refund.
- Classes of less than seventeen weeks: No refund will be given after attending two class sessions.

If personal circumstances warrant exceptions from the published tuition and fee refund policy, a student may seek a written waiver.

Financial Aid Refunds

Any financial aid amounts above the student's charges at PCC will be refunded by the 60th day of classes. Students have the option to receive financial aid refunds either through direct deposit by filling out the direct deposit form located in the Etrieve portal or by check.

Transfer Scholarships

Laura E. Porter Transfer Scholarship

This scholarship was established by Laura E. Porter of Pratt, Kan., to aid students graduating from PCC in continuing their education at a college or university. There are two phases to the scholarship:

- A financial award to select graduates each year. Scholarship, participation in activities and general contributions to the life of the college are taken into consideration in making these awards.
- Application for loan privilege to PCC graduates wishing to continue their education beyond the community college level. This may be obtained in the Financial Aid office.

Linda Hunt Memorial Scholarship

This scholarship was established to aid students graduating from PCC in continuing their education at a college or university. A committee will select graduate(s) each year. Scholarships obtained, participation in activities, and general contributions to the life of the college are taken into consideration in awarding this scholarship.

Irene Krueger Transfer Scholarship

This scholarship was established to aid a student graduating from PCC in continuing their education at a college or university. A committee will select one recipient each year. Scholarships obtained, participation in activities, and general contributions to the life of the college are taken into consideration in awarding this scholarship.

Dr. Pamela Dietz Family Scholarship

This scholarship was established to aid students graduating from PCC in continuing their education at a college or university. A committee will select graduate(s) each year. Approximately 200 scholarships are offered through the Foundation to deserving students each year.

Awards for academic scholarships are based on academic achievement as indicated by the transcript, GPA, ACT scores, and personal recommendations. The Kansas Board of Regents Scholarships and Grants

More Information is available at: https://www.kansasregents.gov/scholarships_and_grants All KBOR scholarships require FASFA submittal.

Kansas Career Technical Workforce Grant

The Career Technical Workforce Grant is available to students enrolled in an eligible career technical education program operated by a designated Kansas educational institution that has been identified as offering a technical certificate or associate of applied science degree program in a high cost, high demand, or critical industry field. Designated Kansas educational institutions include technical colleges, community colleges, and public four-year colleges that award associate of applied science degrees; and Washburn Institute of Technology. Only technical certificate and associate of applied science degree programs are included among the eligible programs. Preference in awarding goes to applicants with financial need. Priority Date: May 1.

Kansas Military Service Scholarship

The Kansas Military Service Scholarship is available for the payment of tuition and fees at a public Kansas institution for students who are a resident of Kansas and has:

- served in military service in international waters or on foreign soil in support of military operations for which the person received hostile fire pay for at least 90 days after September 11, 2001, or served less than such 90 days because of injuries during such military service;
- has received an honorable discharge or under honorable conditions (general) discharge from military service or is still in military service; and has provided copies of military discharge papers (DD-214 form) or active duty orders whichever such paper or order indicate the location of such person's deployment and indicate the person has served after September 11, 2001, in any military operation for which the person received hostile fire pay.

Because financial need is a priority in awarding this scholarship, students will need to file a FAFSA form. Once your school considers you as a graduate status student, you are not eligible for this scholarship. Priority Date: May 1.

Please Note: Individuals who are also using Ch. 33 Post-9/11 GI Bill benefits or Ch. 31 Veterans Readiness & Employment benefits should carefully consider how the Kansas Military Service Scholarship may affect those benefits. Generally, when a Ch. 33 or Ch. 31 user receives other aid that is designated solely for tuition and fees (known as restricted aid), the VA's last payer clause states that VA will only pay any remaining tuition/required fees after restricted aid is applied. Because the Kansas Military Service Scholarship is restricted aid, it pays towards an individual's undergraduate tuition and required fees for up to 8 semesters of undergraduate coursework, there is no tuition for the VA to pay when a student receives the Kansas Military Service Scholarship. Students can still receive their Ch. 33/Ch.31 monthly housing allowance and book stipend; however, we encourage students to talk with their school's military-affiliated centers/staff about how to maximize all of their entitlements.

Kansas National Guard Educational Assistance

Students must have a GED or high school diploma to qualify for this assistance. The member must not already have obtained a bachelor's degree. The National Guard Educational Assistance is only available for fall and spring semesters. Deadlines: Fall 2025 semester - August 31, 2025; Spring 2026 semester - January 31, 2026

New for 2025-26 - dependents of KS National Guard members can apply to be considered to receive assistance. More information and the application will soon be available. Links and applications will start to be accepted on July 1, 2025.

This scholarship may be used toward tuition, required fees, books, and required program materials. Your educational institution will determine the amount of your Promise Scholarship award based on information from the Free Application for Federal Student Aid (FAFSA) along with other financial aid that you may be receiving.

See https://www.kansasregents.org/students/student_financial_aid/promise-act-scholarship for more detailed information, a list of eligible programs, and the application.

Kansas ROTC Service Scholarship

Federal Financial Aid Programs - FAFSA

Federally financed educational assistance programs are determined based on income and assets of both the parents and the student. The family contribution is determined by considering the adjusted gross income, the number of dependents, other children in college, etc. Assets considered include, but are not limited to, the student's savings and the parents' savings, bank accounts, and other investments. The difference between the reasonable cost of attending college and the reasonable amount the parents and students can provide is called NEED and is the amount that the Financial Aid Office will endeavor to provide from one source or a combination of sources. The student should submit a Free Application for Federal Student Aid (FAFSA) to determine the reasonable expectation of what the student and parents can contribute. The FAFSA is available online at <https://studentaid.gov/h/apply-for-aid/fafsa>.

The federal school code for PCC is **001938**.

The FAFSA application opens October 1 for the following academic year.

How to Apply for Federal Financial Aid

Application procedures for students applying for the PELL Grant, Supplemental Educational Opportunity Grant, Work Study and Federal Student Loans are as follows:

- Complete the Free Application for Federal Student Aid (FAFSA) online at <https://studentaid.gov/h/apply-for-aid/fafsa>.
- Provide official high school transcripts and official transcripts from any and all prior colleges.
- Check with the financial aid office or your student portal as more documents could be requested.

Financial Aid Deadlines

To provide efficient student service and receive timely payment of tuition, fees and other charges, Pratt Community College requires students to complete the financial aid package prior to August 1. After August 1, a late fee of \$100 will be assessed to the student's account. The financial aid will then be applied to the student's outstanding bill; any amounts still due must be paid by the first day of classes or have a payment plan in place. If the student has additional funds after all authorized charges have been paid, he/she will be allowed to charge their books to their student account.

Any refund due will be made by the 60th day of class when financial aid is distributed. Failure to pay will result in the administrative withdrawal of that student unless waived by the Vice President of Finance and Operations because of a documented hardship.

Financial Aid Eligibility Requirements

To be eligible to receive aid, a student must meet the following requirements:

- Be a U.S. citizen or eligible non-citizen. Check with the Financial Aid Office for categories of eligible non-citizens.
- Have an official high school diploma, a GED
- Be enrolled as a regular student in an eligible program. A regular student is one who is enrolled in an institution to obtain a degree or certificate. An eligible program is a course of study that leads to a degree or certificate at a school that participates in one or more of the student aid programs described.
- Be enrolled in at least 3 credit hours to receive PELL grants, and at least 6 hours to receive student loans
- Make satisfactory academic progress.

Federal Pell Grant

The Federal Pell Grant program awards money to eligible undergraduate students. Unlike other Federal financial aid, the Federal Pell Grant Program does not need to be repaid. Pell Grants are needs-based grants that are intended to provide low-income students access to post-secondary education. Grant amounts are determined by the students' Student Aid Index (SAI), the cost of attendance, whether the student is full- or part-time and whether the student attends a full academic year.

Federal Supplemental Education Opportunity Grants (FSEOG)

The Federal Supplemental Education Opportunity Grant (FSEOG) program provides funds for undergraduate students who demonstrate exceptional financial need. FSEOG is like the Federal Pell Grant Program, in that funds awarded do not need to be repaid. Grant amounts are issued between \$100-4,000 per year for eligible students, based on financial need and funding provided by the Department of Education at the student's school.

The William D. Ford Federal Direct Loan Program

The William D. Ford Federal Direct Loan (Direct Loan) Program is the largest federal student loan program. Under this program, the U.S. Department of Education is the lender. Federal Direct Loans usually have lower interest rates and have more flexible repayment options than loans from banks or other private sources.

Students must be enrolled and attend at least 6 credit hours per semester to be eligible for Federal Direct Loans. Before students borrow a federal student loan, it is important to understand that a loan is a legal obligation that the student will be responsible for repaying with interest. The student may not have to begin repaying their federal student loans right away, but the student does not have to wait to understand the student's responsibilities as a borrower. Please visit the Federal Student Loan website at www.studentaid.ed.gov for additional loan information. For repayment calculator please visit www.studentloans.gov.

Pratt Community College requires the student to complete a FAFSA before certifying all loans. Entrance Counseling and a signed Master Promissory Note (MPN) are a requirement under the federal default-reduction regulations before disbursing the loan funds. Please complete at www.studentloans.gov.

Exit Counseling is required shortly before the student borrower ceases at least half-time study at Pratt Community College. This includes graduates and transfer students. Students should please complete at www.studentaid.gov.

Direct Subsidized Loans

For undergraduate students who have financial need; US Department of Education pays the interest while the borrower is in school and during grace and deferment periods; the institution determines the amount the student can borrow, and the amount may not exceed the student's financial need; first time borrowers may not receive this type of loan for more than 150% of the length of their program of study; US Department of Education may stop paying interest if a student who received Direct Subsidized Loans for maximum period continues with enrollment.

Direct Unsubsidized Loans

For undergraduate, graduate, and professional students, financial need is not required; the borrower is responsible for all interest.

Direct PLUS Loans

For parents of dependent undergraduate students and for graduate and professional students, the borrower is responsible for all interest; financial need is not required.

For additional information please visit the <https://studentaid.gov/plus-app/> website.

Preparatory Coursework

Preparatory coursework loans allow a student to attend Pratt Community College and receive a Direct Loan for a maximum of one consecutive 12-month period to take pre-arranged program coursework required for admission to another college or university. Federal provisions limit the amount of Direct Subsidized & Unsubsidized loans students may borrow each academic year.

The limits outlined below do not apply to Direct PLUS loans for parents.

	Maximum Annual Loan Amount	
	Dependent Student	Independent Student
Grade Level 1 (less than 32 completed hours) - FRESHMAN		
Base Direct Loan Eligibility (subsidized & unsubsidized)	\$3,500	\$3,500
Additional unsubsidized Direct Loan eligibility	\$2,000	\$2,000
Unsubsidized Direct Loan eligibility for independent student or dependent student due to parent ineligibility for PLUS loan		\$4,000
Maximum Grade Level 1 Total	\$5,500	\$9,500

	Maximum Annual Loan Amount	
Grade Level 2 (32+ completed hours) - SOPHOMORE	Dependent Student	Independent Student
Base Direct Loan Eligibility (subsidized & unsubsidized)	\$4,500	\$4,500
Additional unsubsidized Direct Loan eligibility	\$2,000	\$2,000
Unsubsidized Direct Loan eligibility for independent student or dependent student due to parent ineligibility for PLUS loan		\$4,000
Maximum Grade Level 2 Total	\$6,500	\$10,500

Aggregate Loan Limits		
Student Type	Total Aggregate Limit	Maximum Subsidized Limit Within the Aggregate
Dependent Student	\$31,000	\$23,000
Dependent Student whose parent is ineligible for PLUS	\$57,500	\$23,000
Independent Undergraduate Student	\$57,500	\$23,000

These amounts are based on full time enrollment status, and all federal aid may not exceed the school's budget or cost of attendance. The interest rate for a William D. Ford Direct Loan is variable, and is adjusted every July 1, and will be set by Congress. Loan funds are to be used towards education related expenses. Most federal student loans have loan fees that are a percentage of the total loan amount. The loan fee is deducted proportionately from each loan disbursement the borrower receives. This means the money the student receives will be less than the amount borrowed. The student is responsible for repayment of the entire amount borrowed. Please borrow responsibly.

Federal Work-Study Program

The Federal Work-Study Program is considered self-help and provides jobs for students who qualify as need-based to earn a portion of their college expenses while gaining practical work experience. At Pratt Community College, a student will normally be employed for one academic year (August through May) and summer employment (June and July) may also be available. The Work-Study positions may be located on or off campus, and the pay rate is at least the current Federal Minimum Wage. The scheduled hours may vary according to the job position. Students are limited to one job. The last day a student is able to work each semester is the final Friday of the month before semester ends, unless given unique permission by the Vice President of Finance and Operations. The student and their supervisor are expected to cooperate in ensuring that the student does not work more than the contracted hours. Failure to stay within the contracted hours may cause a department to be without the assistance of a Work-Study student. Students may not work during scheduled course times and will be responsible for clocking in and out during work times.

Satisfactory Academic Progress (SAP)

To establish and maintain eligibility for federal student financial aid at Pratt Community College, the student must meet satisfactory academic progress (SAP) standards. Federal regulations require that a student make satisfactory academic progress toward an eligible degree, certificate, or transfer program leading to a bachelor's degree. To comply with this regulation, the following SAP standards have been established. SAP evaluation will occur prior to being awarded and at the end of each enrolled semester, including summer. All prior institution transcripts must be on file before financial aid can be awarded. Evaluation is based on **cumulative Pratt Community College and transfer credit course work** as appearing on the student's official academic transcript from accredited institutions. (Note: Clock hour programs are computed as credit hours for SAP purposes.)

The three SAP standards are evaluated by the following criteria:

- Cumulative Grade Point Average (GPA)**

Students must attain a minimum cumulative GPA of 2.0. (Pratt Community College and transfer hours are considered.)

2. Pace (Percentage of Completion)

Students must successfully complete 67% of all credit hours attempted as appearing on their official academic transcripts. This includes all enrollment periods whether financial aid was requested or received.

The following grades do not affect the cumulative GPA but will be counted as attempted (but not completed) credit hours: "I" (incomplete) or "W" (withdrawn). Self-paced courses that are not completed by the end of the semester in which the student enrolled will be recorded with a grade of "I" until the course is completed. An incomplete course may delay future federal financial aid disbursements until a final letter grade is posted. (Students who have not completed 67% or more credit hours for which aid was paid may become ineligible for financial aid.)

Attempted Credit Hours	Required Credit Hours Complete
12	9
15	11
18	13
24	17
30	21

3. Maximum Time Frame

The maximum time frame for students to complete their academic program may not exceed 150% of the published length of the program. For example, if the published length of the program is 64 credit hours, the maximum number of attempted credit hours may not exceed 96. After 83% of the published length of the program has been attempted (including Pratt Community College and all transfer credit hours from accredited institutions), students are no longer eligible for federal financial aid.

Financial Aid Suspension and Appeals

Students may appeal their Suspension status by completing and submitting an SAP appeal to the Financial Aid Office. Forms are available in the student's Etrieve Account. The student must meet with their Academic Advisor and outline all required courses that will be taken during the following semester. Once an appeal is reviewed by the SAP appeal committee, the decision or recommendation is final, and the student will be notified via mail.

If the appeal is denied, the student must pay out-of-pocket for educational costs until SAP standards are met. This denial takes precedence over any previous award notification the student may have received.

If the appeal is approved, the student's federal financial aid eligibility will be reinstated and placed on a probation status. To maintain eligibility, the Financial Aid Academic Plan conditions listed below must be met but might also include additional conditions such as reducing the number of enrolled credit hours or working with a Student Success Advisor throughout the semester. If the conditions of the student's appeal and Financial Aid Academic Plan requirements are not met during the following term, then the appeal becomes void, and the student is placed on federal financial aid denial and may not submit another appeal.

Financial Aid Academic Plan Status

Financial Aid Academic Plan status is granted after students have had an SAP appeal approved. Students on Financial Aid Academic Plan status are eligible and may continue to receive financial aid funding, if the following requirements are met:

1. Successfully follow the academic program plan created with the Academic Advisor up through the final semester listed in the student's appeal and/or meet other conditions, if required, as stated in the approval letter.
2. Receive a minimum of a 2.0 (C) GPA average for all classes taken in each subsequent term.
3. Successfully complete at least 67% of all courses attempted during each subsequent term.
4. Do not drop all courses without a "W" and receive financial aid. If a student does not satisfactorily complete the above criteria, the student will be placed on financial aid denial and will not receive any federal financial aid until SAP standards are attained. Students denied aid must take credit courses at their own expense until SAP standards are met. To remove Financial Aid Academic Plan status after an appeal is approved, the student must meet minimum GPA **AND** Pace standards **AND** have attempted less than 150% of the published length of his or her program.

Maximum Time Frame Appeal

Students who are close to reaching their maximum time frame and are meeting all other SAP requirements may be notified by the Financial Aid Office to submit an **Academic Plan**. The Academic Plan is an option to avoid financial aid ineligibility due to the maximum time frame requirement. The Academic Plan will be reviewed by a committee, just like the SAP appeal.

Grades for Financial Aid Calculation

A grade for each student in each course will be given at the end of the semester according to the system described below:

- A 4 grade points per semester hour
- B 3 grade points per semester hour
- C 2 grade points per semester hour
- D 1 grade point per semester hour
- E 0 grade points per semester hour

- I Incomplete 0 grade
- W Withdrawal 0 grade points per semester hour
- P Passing work 0 grade points per semester hour
- NC No credit 0 grade points per semester hour

Repeating a Course

If the student needs to repeat any course, financial aid can count these courses towards enrollment and award Title IV funds to a student who is repeating, for the first time only (i.e., one repetition per class) a previously passed course. For this purpose, passed means any grade higher than an "F", regardless of any school policy requiring a higher qualitative grade or measure to have been considered to have passed the course.

Notification of Awards – Aid Offer

Notification of awards will be in the form of an Aid Offer in the student's Etrieve portal inbox as soon as awards are packaged by the Financial Aid Office. Contained in the letter will be further instructions and paperwork needed to finalize their aid for the year. Disbursement Notification letters will be emailed to students before their scheduled disbursement. For those students who have been awarded aid and completed the necessary paperwork, funds will be disbursed before the 60th day of the semester. Aid is awarded for one academic year (summer, fall, spring). Students can fill out the FAFSA in October for the following school year.

Clubs and Organizations

Beavers on Stage - Performing Arts

Beavers on Stage is the official organization of the performing arts department. All students involved in choir, band, show choir, theatre or production work are a part of this group. In addition to our other department activities, students participate in community service activities throughout the community, take trips to professional shows, go Christmas caroling and provide support to their peers in each of the areas of the performing arts. The group also fundraises for an end-of-the-year trip each May.

There are numerous opportunities for students to get involved through theater productions, vocal music, and instrumental music. Students are able to participate with other students as well as with community members. The theater department presents two to three public productions annually. The music department features four major performing groups: choir, Encore, pep band, and jazz band. Public performances are presented each semester. The mission of Beavers on Stage and the performing arts department is to provide a creative outlet for students while serving the Pratt community and surrounding area as an ambassador group for the college.

Student Ambassadors

The Student Ambassador program is a leadership opportunity for a select group of students who support the Admissions Office and promote a positive image of Pratt Community College. Ambassadors serve as the face of PCC by providing campus tours to prospective students and their families and representing the college in a friendly, professional manner.

There are four Student Ambassadors hired each academic year:

- Two returning students are selected in the spring for the following year.
- Two incoming freshmen are hired at the beginning of the fall semester.

This is a paid position and is not dependent on qualifying for work-study.

In addition to giving tours, Student Ambassadors may assist with Admissions events, social media efforts, and other outreach activities as assigned. Through this role, students will develop a strong set of transferable skills, including effective communication, public speaking, customer service, marketing awareness, and teamwork. They will also gain valuable experience working in a professional environment and representing the college to a diverse audience.

STEM Club

The purpose of the club is to encourage and support the development of interest, knowledge, and skills in STEM. This is accomplished through regular meetings, performing fun labs/experiments, participating in community outreach, and assisting with tutoring students and members of the club. Policies & Procedures

Privacy and Educational Rights

It is the policy of Pratt Community College to comply with all valid, applicable regulations of the Family Educational Rights and Privacy Act (FERPA) of 1974 as amended and as administered and enforced by the Department of Education. Inquiries regarding this policy and its provisions should be directed to the Vice President of Student Services. All students who officially enroll in PCC are expected to be familiar with the rules and regulations of the college and with the official college publications (the College Catalog and Student Handbook) which contain such rules and regulations.

The college will from time to time throughout the academic year publish personal data concerning students. Such publications may include: honor rolls, personal data for scholarships, athletic events, student directory, job placement, news releases, and academic standings sent to other institutions and social media sites. PCC may provide the following information: name, address, email address, telephone number, date and place of birth, major, participation in officially recognized events, parents' names, sports weight and height of an athletic team member, date of attendance, grade level, degrees, honors and awards received, most recent previous educational institution attended, full or part-time status, the most recent educational agency or institution attended.

PCC also reserves the right to use photographs of students in publications, on social media and on the website for promotional and college relations purposes.

PCC reserves the right to contact emergency contact or parent in the case of an emergency and/or incident which impedes operations. PCC also reserves the right to contact law enforcement and/or emergency services when a student is violating the law and/or if their health or safety is in jeopardy.

In Kansas, a person who may have been exposed to an infectious or contagious disease by being within close proximity of an infected person is known as a contact. For COVID-19 contacts, Kansas law (L. 2020 Special Session, Ch. 1, Section 16 (h)) allows Pratt Community College to share contact information when the College becomes aware of a confirmed case involving COVID-19 if the contact consents. For the safety of our academic community, PCC has adopted the policy that use of and presence at PCC facilities as students, faculty and staff authorizes consent to PCC's release of contact information to public health authorities. To opt-out of this practice, contact the PCC College Health Nurse for opt-out information.

All students enrolling in PCC shall be deemed to have agreed to the publication of personal data as indicated above unless a disclaimer is filed with the Vice President of Student Services by the 10th day of the semester in which the initial enrollment is made.

The students of PCC have certain rights concerning access to educational records. This includes rights regarding limitations or disclosures of record information, the opportunity to challenge the content of educational records, and provisions for filing a complaint with the Department of Education. The law requires educational institutions such as PCC to:

- Provide eligible students the opportunity to inspect student educational records. This process can be completed by filing a written request with the Office of the Registrar.
- Provide opportunities for a hearing to challenge the content of the student's educational record when it is believed to contain information that is inaccurate, misleading, or in violation of the student's right to privacy.
- Limit the disclosure of information from the student's records to those who have the consent of the student, to officials specifically permitted within the law such as PCC officials, and under certain conditions and for specific purposes to parents, local, state and federal officials. Eligible students may file a complaint with the Department of Education if they believe their rights under this law have been violated and efforts to resolve the situation through PCC appeal channels have not proved satisfactory.

Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):

- School officials with legitimate educational interest;
- Other schools to which a student is transferring;
- Specified officials for audit or evaluation purposes;

- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of the school;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies; and
- State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school. Family Policy Compliance Office (FPCO)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
 - School officials with legitimate educational interest;
 - Other schools to which a student is transferring;
 - Specified officials for audit or evaluation purposes;
 - Appropriate parties in connection with financial aid to a student;
 - Organizations conducting certain studies for or on behalf of the school;
 - Accrediting organizations;
 - To comply with a judicial order or lawfully issued subpoena;
 - Appropriate officials in cases of health and safety emergencies; and
 - State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

Harassment and Discrimination Policy

Pratt Community College is committed to providing a learning and working environment that is free from all forms of discrimination and conduct that can be considered harassing, coercive, or disruptive, including sexual harassment.

Harassment is verbal or physical conduct that denigrates or shows hostility or aversion to a person's race, color, gender, age, sexual orientation, religion, disability, national origin, political affiliation, veteran status, or other characteristic recognized by that person as important to his/her culture or lifestyle. It is harassment if the conduct includes one or more of the following:

- Has the purpose or effect of creating an intimidating, hostile, or offensive working or learning environment.
- Has the purpose or effect of unreasonably interfering with an individual's work or study performance
- Otherwise adversely affects an individual's employment or educational opportunities.

Sexual harassment is defined as any unwelcome sexual advances, requests for sexual favors or other verbal or physical conduct of a sexual nature when:

- Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment.
- Submission to or rejection of such conduct is used as the basis for employment decisions affecting that individual. Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or educational experience or creates an intimidating, hostile or offensive work or educational environment.

A college is a community of learners where strong emphasis is placed on self-awareness and consideration for the lives and feelings of others. While an atmosphere for freedom of expression exists, it must always be in conjunction with a responsibility to observe the rights of one another. In such a setting, there is no place for conduct that diminishes, uses, or abuses another person. For these reasons, harassment of any kind is unacceptable at Pratt Community College.

Anyone who believes that he or she has been the object of sexual harassment should advise the division vice president or the personnel director. Informal procedures exist for dealing with the problem. If appropriate, an attempt will be made to resolve the problem through informal procedures. These discussions will be handled in a professional manner. No formal action on the alleged charge will be taken unless initiated by the complainant.

If informal efforts are unsuccessful, formal procedures exist which allow both parties an opportunity to pursue a resolution. Investigation of a complaint will be conducted in an expeditious manner, assuring release of information only on a need-to-know basis consistent with principles of due process and fundamental fairness as follows:

- The complaint must be in writing with sufficient specificity.
- A person bringing a complaint founded in good faith will suffer no retaliation.
- The person charged will be promptly notified and given an opportunity to respond.

Any individual will have up to 90 days after the alleged occurrence to file a complaint. A lengthy period of time between an alleged occurrence and an investigation make finding facts difficult or impossible.

If a complaint is found to be valid, the appropriate disciplinary action will be instituted up to and including termination or dismissal, consistent with the degree of seriousness. Discipline or dismissal of a faculty member will follow the procedures outlined in the current collective bargaining agreement.

Sexual harassment in the workplace is prohibited under Title VII of the Civil Rights Act of 1964. Guidelines were issued by the Equal Employment Opportunity Commission in 1980 incorporating sexual harassment in the workplace as a violation of Title VII. Under Title IX of the Educational Amendments Act of 1972, as clarified by the Civil Rights Restoration Act of 1988, sex may not be a basis for exclusion from participation, denial of benefits, or discrimination in any education program or activity.

The failure of managers, supervisors, and others in authority to remedy discriminatory harassment violates institutional policy.

Notice of Non-Discrimination

Pratt Community College does not discriminate on the basis of race, color, national origin, sex, disability, age or veteran status in its programs and activities. The following person has been designated to handle inquiries regarding the non-discrimination policies: Director of Personnel, Pratt Community College, 348 NE SR 61, Pratt, Kansas 67124, 620.672.5641. **Harassment and Discrimination Policy 200-26** <https://prattcc.edu/administrative-policy/harassment-and-discrimination-policy>

Title IX Information

The U.S. Department of Education's Office for Civil Rights (OCR) enforces, among other statutes, Title IX of the Education Amendments of 1972. Title IX protects people from discrimination based on sex in education programs or activities that receive Federal financial assistance. Title IX states that:

No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance. **Source:** https://www2.ed.gov/about/offices/list/ocr/docs/tix_dis.html

For assistance related to Title IX or other civil rights laws, please contact OCR at OCR@ed.gov or 800-421-3481, TDD 800-877-8339.

- 1) Formal complaint filed by Complainant or Title IX Coordinator,
- 2) Investigation process begins or complaint is dismissed if facts would not constitute sexual harassment under Title IX,

All students and employees are encouraged to report any safety or security problems that may arise. Incident reports are to be filed with the Vice President of Finance and Operations. PCC also utilizes the LiveSafe app, which provides security information and services from any location.

Security officers are equipped with mobile phones allowing direct communication with the Pratt Police Department if the need should arise for local police intervention. In the event of a major crime, notify the local police by calling 911. Campus security numbers are posted throughout campus. In the event a perpetrator of a violent crime is subject to discipline by the college, the victim of the crime shall, at the discretion of the President of PCC and the Vice President of Finance and Operations, be permitted to obtain the results of that disciplinary proceeding.

Policy:

General Rules on Open Carry and Concealed Carry on Campus

Open carry of firearms and possession of weapons other than concealed handguns shall be prohibited inside buildings on campus, while concealed carry of handguns is permitted inside buildings on campus, subject to the rules stated in this policy. All weapons are prohibited at all off-campus PCC sponsored or supervised activities, except that, as required by law, PCC does not prohibit employees, who are legally qualified, from carrying a concealed handgun while engaged in the duties of their employment outside of PCC's place of business, including while in a means of conveyance.

Nothing in this policy shall be read to prohibit possession of weapons on campus as necessary for the conduct of Board- approved academic programs or PCC-approved activities or practices with the advance written approval of the PCC president, or by PCC security personnel while acting within the scope of their employment.

It shall be a violation of Board and PCC policy to openly display any lawfully possessed concealed carry handgun while inside buildings on campus, except as provided herein.

There are no PCC locations that have been designated as prohibiting concealed carry with permanent adequate security measures. PCC may from time to time designate a specific location as temporarily prohibiting concealed carry and use temporary adequate security measures as defined and required by law. Appropriate notice will be given whenever this temporary designation is made, including notice to the Board and appropriate signage.

In addition, areas of buildings that have no public access entrances and are limited to restricted access entrances only may be off-limits to concealed carry, as determined by the PCC. "Restricted access entrance" means an entrance that is restricted to the public and requires a key, keycard, code, or similar device to allow entry to authorized personnel. "Authorized personnel" means employees of PCC and any person granted authorization pursuant to K.S.A 75-7c20(d)(2), who are authorized to enter a PCC building through a restricted access entrance. Appropriate signage will be provided in these areas.

Prohibitions Based on State Law

Beginning July 1, 2017, any individual who is 21 years of age or older and who is lawfully eligible to carry a concealed handgun in Kansas or who is 18 years of age and in possession of a valid provisional license issued pursuant to K.S.A. 75-7c03 shall not be precluded from doing so on campus except in PCC buildings and areas of buildings for which adequate security measures are provided, and except as otherwise prohibited by law.

Regardless of whether the individual is otherwise lawfully eligible to carry a concealed handgun, the following restrictions apply to the carrying of a firearm by Kansas law, and the violation of any of the following restrictions is a crime under Kansas law and a violation of this policy:

1. An individual in possession of a concealed firearm must be at least 21 years of age or who is 18 years of age and in possession of a valid provisional license issued pursuant to K.S.A. 75-7co3 [K.S.A. 21-6302(a)(4)];
2. a firearm cannot be carried by an individual under the influence of alcohol or drugs, or both, to such a degree as to render the individual incapable of safely operating the firearm [K.S.A. 21-6332];
3. a firearm cannot be carried by an individual who is both addicted to and an unlawful user of a controlled substance [K.S.A. 21-6301(a)(10)];
4. a firearm cannot be carried by an individual who is or has been a mentally ill person subject to involuntary commitment [K.S.A. 21-6301(a)(13)];

9. suppressors and silencers cannot be used with a firearm [K.S.A. 21-6301(a)(4)]; and,
10. firearms cannot be fired in the corporate limits of a city or at a dwelling, or at a structure or vehicle in which people are present, except in self-defense [K.S.A. 21-6308, 6308a]. It shall also be a violation of this policy to otherwise possess, store, transport, trade, sell, or in any other way use a firearm in violation of any applicable law.

Carrying and Storing Handguns

Each individual who lawfully possesses a handgun on campus shall be wholly and solely responsible for carrying, storing and using that handgun in a safe manner and in accordance with the law, Board policy and PCC policy. Nothing in this policy shall be interpreted to require individuals who lawfully possess a handgun to use it in defense of others.

Beginning July 1, 2017, any individual who is 21 years of age or older and who is lawfully eligible to carry a concealed handgun in Kansas or who is 18 years of age and in possession of a valid provisional license issued pursuant to K.S.A. 75-7co3 shall not be precluded from doing so on campus except in:

1. carry it concealed on or about their person in a manner that complies with this policy, or;
2. keep it stored in any secure storage location provided PCC specifically for that purpose, at their residence, or their privately-owned or leased vehicle.

Individuals who carry a handgun inside buildings on campus must carry it concealed on or about their person at all times. With respect to this policy, "concealed" mean completely hidden from view and does not reveal the weapon in any way, shape, or form. "About" the person means that an individual may carry a handgun if it can be carried securely in a suitable carrier, such as a backpack, purse, handbag, or other personal carrier designed and intended for the carrying of an individual's personal items.

Moreover, the carrier must at all times remain within the exclusive and uninterrupted control of the individual. This includes wearing the carrier with one or more straps consistent with the carrier's design, carrying or holding the carrier, or setting the carrier next to or within the immediate reach of the individual. Except in those instances where necessary for self-defense or transferring to safe storage and except as otherwise provided in this policy, it shall be a violation of Board and PCC policy to openly display any lawfully possessed concealed carry handgun while on campus.

Every handgun carried by an individual, whether on their person or in a carrier, must be secured in a holster that completely covers the trigger and the entire trigger guard area and that secures any external hammer in an uncocked position. The handgun must be secured in the holster with a strap or by other mean of retention. The holster must have sufficient tension or grip on the handgun to retain it in the holster even when subjected to unexpected jostling. Handguns with an external safety must be carried without a chambered round of ammunition. Revolvers must be carried with the hammer resting on an empty chamber.

Handguns shall not be stored:

1. in any PCC classroom, lab, office, or facility;

2. in an on-campus residential unit, except in the on-campus residential unit of the individual who is at least 21 years of age, or who is 18 years of age and in possession of a valid provisional license issued pursuant to K.S.A. 75-7co3 who legally owns the handgun, and when the handgun is secured in a holster in an approved storage device'
3. in any non-privately owned or leased motor vehicle; or,
4. in any other location and under any circumstances except as specifically permitted by this policy and by state and federal law.

Handguns may be stored:

1. in an individual's privately-owned or leased motor vehicle when the vehicle is locked (if unattended) and the handgun is secured in a location within the vehicle that is not visible from outside the vehicle; or,
2. in the on-campus residential unit of the individual who is at least 21 years of age, or who is 18 years of age and in possession of a valid provisional license issued pursuant to K.S.A. 75-7co3 who approved storage device. Handgun storage by any other means than specifically permitted in this policy is prohibited.

For any on-campus residential unit that does not have adequate security measures, each resident who lawfully possesses a handgun on campus and elects to store the handgun they possess in the room to which they are assigned when not carrying it on their person in a concealed fashion shall secure the handgun in a secure storage device that conceals the gun from view. Such storage devices shall be provided by the individual who possesses the handgun and must meet minimum industry standards for safe keeping of handguns.

PCC does not provide approved handgun storage devices to any person under any circumstances. Each individual who stores a handgun in an on-campus residence must provide their own approved storage device. An approved storage device has each of these characteristics:

1. it is of sufficient size to fully enclose the handgun while secured in an approved holster;
2. it is constructed of sturdy materials that are non-flammable;
3. it has a combination, digital, or other secure locking device that can only be unlocked by the individual using the storage device, but devices secured exclusively with a key lock are prohibited; and,
4. the device is constructed specifically for the storage of a handgun and/or ammunition. All ammunition stored in an on-campus residence must be stored in an approved storage device.

Parental Notification As stated in section 99.31 of the Family Educational Rights and Privacy Act (FERPA), effective August 7, 2000, institutions may disclose to parents, without a student's consent, when students under 21 violate drug or alcohol laws or policies. Institutions may disclose this information to parents "without regard to whether the student is "a dependent." As stated in the regulation, colleges are not required to alert students when parents have been notified but are required to maintain a record of the disclosure to the parent and provide it to the student at their request.

Students receiving Pratt Community College scholarship awards for 2025-2026 are not required to live in the residence halls as part of their scholarship award agreement. This action is being taken to provide students with an option for their living arrangements.

Live-on Requirements

Students living in a residence hall must be enrolled as a student at Pratt Community College and be at least or will become 18 years of age during the current academic year. Living in a Community

Getting to Know your Roommate

Having a roommate can be one of your best experiences of college life. Here are some tips to help make a positive transition. Be willing to share, communicate, and work through conflicts. Create a Roommate Bill of Rights. Know what you need and discuss why it is important. Then make a roommate agreement and hold yourself and each other accountable. By putting in a little effort, you may just make a new lifelong friend. This is an example of a Roommate Bill of Rights:

1. The right to read and study free from undue interference in one's room. Unreasonable noise and other distractions inhibit the exercise of this right
2. The right to sleep without undue disturbance from noise, guests of roommate, etc.
3. The right to accept that a roommate will respect one's personal belongings

4. The right to a clean environment in which to live
5. The right to free access to one's room and facilities without pressure from a roommate
6. The right to personal privacy
7. The right to host guests that respect the rights of the host's roommate and other hall residents
8. The right to talk through conflict and concerns. Residence hall staff is available for assistance in settling conflicts
9. The right to be free from fear of intimidation, physical, and/or emotional harm

These are some questions to begin the discussion of knowing each other's needs:

Cleaning:

1. How neat and clean are you used to keeping your room?
2. How will housekeeping duties be shared?
3. How would you like the room arranged and decorated?

Borrowing:

1. Will you share food and drink costs?
2. Do you mind if guests use items in the room?
3. Do you prefer to be asked before someone borrows something?
4. What items are you comfortable sharing and would you prefer that they not be borrowed or used?

Study Time:

1. What time do you typically study?
2. Can you study with the TV or radio on? With visitors in the room?

Sleeping:

1. What time do you typically go to bed and get up in the morning?
2. Are you a heavy or light sleeper?
3. Can you sleep with the TV or radio on? With visitors in the room?

Guests:

1. When can guests be in the room?
2. Can guests spend the night?

Creating a Roommate Agreement

Use the discussion to help create a roommate agreement. When creating the agreement:

1. Take time to address all the areas of the agreement
2. Make sure there is nothing you are missing or nothing you do not agree with
3. If you need help, talk with an RA

We have found Roommate agreements work best if they are made in the first two weeks of living together. The goal of the agreement is to set ground rules and start on the right path to having an enjoyable residence life experience.

If problems arise you will be able to renegotiate your roommate agreement. When renegotiating your agreement try to avoid blame and accusations. If a solution cannot be reached, the next step is to ask an RA for help.

Getting Involved

Each month the Student Life department will provide several activities for you to attend and get involved. At the beginning of each month a student life calendar will be distributed throughout campus.

The Board of Trustees strictly prohibits the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance or alcohol by any student on the PCC premises or as part of a PCC activity. Violation will result in immediate disciplinary action.

College alcohol and drug/drug paraphernalia sanctions will also apply to any student present in a residence hall room or campus location where alcohol and/or drugs/drugs paraphernalia is present and/or being consumed, regardless if they are consuming or under the influence. Students are expected to contact college officials when they observe alcohol and/or drug violations if they do not report the use or presence of alcohol and/or drugs/drug paraphernalia in their room. Display of empty alcoholic beverage containers anywhere in the residence hall rooms is prohibited.

All students found on college property, which includes the residence halls, parking lot and grounds, buying, selling, providing, or where alcohol and/or drugs are being used or consumed will automatically be turned over to the police or sheriff's authorities for possible prosecution. College sanctions will be applied. Students subject to these penalties will be afforded all due process rights to which they are entitled by law or under current policies affecting student discipline. A student may be required to complete a substance abuse education, or treatment program as a condition or continued enrollment. The cost of completing such a program will be the responsibility of the student.

If a student is involved in an off-campus incident, but in the course of an investigation indicates an on-campus violation, disciplinary action will be the same as if it were observed on the campus. Purchasing alcohol for minor students and refusal to use a breathalyzer is subject to alcohol sanctions.

College Breathalyzer

The college's Breathalyzer will be used by Pratt Community College officials on college property or at college sponsored events when "reasonable suspicion" occurs that a student/visitor may be under the influence as a result of any of the following:

1. Student is causing a disturbance
2. Student appears intoxicated
3. Student refuses to cooperate

Halogen lamps, George Foreman grills, toaster ovens, space heaters, candles, candle warmers and hot plates are prohibited. Refrigerators cannot exceed 3.2 cubic feet in size. Coffee pots and toasters will be allowed in the residence hall rooms but must be placed on a fireproof tray or inflammable pad, remain unplugged when not in use, and kept clean throughout the year. If any appliances cause disturbances or endangerment to self or others, they will be removed by residence life staff.

Courtesy towards Staff

Interference with a staff member engaged in the performance of assigned duties and/or failure to comply with a conduct request from a staff member is prohibited and may result in further disciplinary action.

Extension Cords

Please keep the use of extension cords to a minimum. Regular household extension cords are prohibited due to fire safety. If needed, you may use a power strip. Only multiple outlet strips with built-in circuit breakers are allowed. Extension cords may not run from inside a student's room into the hallway.

Felony Convictions

If a student is convicted of a felony, the student is automatically dismissed from the residence halls. Students with prior felony convictions are not allowed to live in the residence halls.

Fleeing the Scene

Any student who flees from a scene or leaves a disciplinary situation without permission from police or security will be reviewed on a case-by-case basis. Sanctions, depending on the incident, could result in a fine, no visitation for the remainder of the semester, and/or dismissal from the residence halls.

Fighting

Students engaged in fighting in the residence halls or on the grounds which results in bodily injury or damage to college property may be subject to dismissal from the residence halls and the cost of damages. These activities may be reported to the Pratt Police Department. Care will be taken to examine the whole situation prior to disciplinary action.

Fire Alarm System & Extinguishers

Fire alarm systems and extinguishers are placed in the hall solely for your protection. It is against regulations to use them for any other purpose. If the person(s) that discharges a fire extinguisher is identified, they will be responsible for the cost of recharging the extinguisher. Costs may also be assessed for cleanup charge. Violators will be subject to disciplinary actions.

If a false alarm, either fire or another type of emergency alarm, is given maliciously, the person responsible will be prosecuted to the full extent of the law and sanctioned (see sanctions and fines) through the conduct process. (This is a Class A misdemeanor which is punishable by a \$2,500.00 fine and/or 1 year in jail.)

Gambling is prohibited on our college campus. The student life department or RAs may sponsor casino-themed programming, which involves no monetary component.

Prohibited behavior includes any act that endangers the mental or physical health or safety of a student, the deconstruction or removal of public or private property, and/or assisting, directing, or in any way causing others to participate in degrading behavior and/or behavior that causes ridicule, humiliation, or embarrassment, and/or engaging in conduct which tends to bring the reputation or the organization, group, or college into disrepute.

Intentional Reckless and Negligent Damage

Residents are expected to keep their room/hall in a clean and sanitary condition. This includes clearing all garbage or debris in the room/hall. Room checks will be made regularly and can be conducted at any time. Failure to clean room within 24 hours following a room check infraction may result in cleaning, damage, and maintenance fines.

Two consecutive room checks with unsatisfactory results could result in dismissal from the residence halls and/or prescribed maintenance duties as determined by the Director of Students & Residence Life. Removal of all trash is expected of each residence hall resident. All trash should be dumped in the proper dumpsters located near the residence halls.

Residents will be responsible for the full cost of the repair of damages to their room which results from intentional reckless and/or negligent acts. All residents within the same community shall be jointly liable for all communal areas within their hall, as well as the full cost of repair from damages unless the individual at fault is identified. Malicious and deliberate damage to residence hall property will result in automatic dismissal from the residence halls. Students who do not report accidental damage will be fined \$25.

Keys & Key Card Misuse

When you check into a residence hall, you will be issued a key to your room and a key card. It is wise to keep your door locked while you are away. If you should lose your key or key card, report the loss to the Director of Students & Residence Life. A new key card will be issued with a charge of \$10.00 (not to be taken from deposit). A new room key will be issued with a charge of \$50 and an additional charge will be assessed if changing the lock is necessary for security purposes.

Students are expected to carry exit and key cards with them at all times. Using another student's key card/ID for visitation is not allowed and may be followed with disciplinary action.

Excessive or repetitive lockouts may result in disciplinary action (see sanctions and fines). This is defined as 3 or more lockouts a semester. If you lock yourself out of your room, knock on your resident supervisor door; if they do not answer, call the supervisor on duty. Be prepared to show your student ID. Only residents registered to a room will be admitted to a room. Residence Life will not let any unauthorized persons into someone else's room unless permission is given from the assigned occupying resident to a member of the residence life staff or campus security.

Motorized vehicles, Bikes, Hover boards, Scooters, Skateboards, etc.

Motorized vehicles, bikes, hover boards, electric scooters, scooters, skateboards, etc. are not allowed to be ridden in the residence halls. Bikes are to be stored outside using bike racks around campus.

You must present documentation of UL 2272 certification to the residence life office in order to store and charge your hover board or scooter in the residence halls.

Network Infrastructure

Per Pratt Community College Policy 200-34, use of or access to college computing resources shall be limited to students/college employees for the performance of official college functions and approved assignments only, except in specified areas which are open to the public. Use of college computer equipment or software for commercial applications is prohibited. All computer use is subject to review by the administration. Users of campus resources must comply with federal and state laws, campus policies, and the terms of applicable contracts including software licenses while using campus computing resources.

Users, including residence halls students, are not to attempt to implement their own network infrastructure. This includes network devices such as hubs, switches, routers, network firewalls, and wireless access points. Users shall not utilize any alternative methods of access to PCC computing resources, such as modems, or VPN's. Users are not to offer network services such as DHCP and DNS. Back-up data will be maintained for a period of up to two weeks.

Users, including residence hall students, who violate this policy may be denied access to campus computing resources and may be subject to other penalties and disciplinary action, including expulsion, dismissal, or termination. Alleged violations will be handled through the campus disciplinary procedures applicable to the user. A user's access to campus computing resources may be suspended, blocked, or restricted in order to protect the integrity, security, or functionality of campus computing resources. Violations may be referred to appropriate law enforcement agencies and be sanctioned (see sanctions and fines) through the conduct process.

Overnight Guest Policy & Cohabitation

Overnight guests of the same sex may be authorized to stay, but only with prior permission of the Director of Students & Residence Life. A resident must also receive their roommate's permission to have a guest.

Cohabitation is prohibited; an overnight guest may stay for no longer than three consecutive nights or eight total nights per month, unless special permission is granted in advance by the Director of Students & Residence Life. Personal belongings of guests amounting to more than one overnight bag may be cause to discuss cohabitation.

Orbeez, pellet, Nerf Guns

Pets

Students are not allowed to have pets (unless they meet the qualifications of the policy below) on campus both indoors and outdoors with the exception of fish in tanks no larger than a gallon. Students violating this policy will be sanctioned (see sanctions and fines).

Pets/Animal and College Facilities

Pets/animals are prohibited from all college facilities except for:

1. Animals used for teaching or competition with prior approval of Vice President of Instruction or Athletic Director.
2. Service animals assisting an individual with a disability with prior approval from the Student Success Center.
3. Residential Supervisors are permitted to have a pet in their respective apartments.

The following procedure provides guidelines for students requesting permission to have a pet/animal in college facilities.

Definitions:

Federal regulations define a “service animal” as “dogs that are individually trained to do work or perform tasks for people with disabilities.” A service animal is permitted to be in a college facility, unless the animal’s behavior necessitates removal. Service animals must be harnessed, leashed, or tethered, unless these devices interfere with the service animal’s work or the individual’s disability prevents using these devices. Service animals are working animals, not pets. The work or task a dog has been trained to provide must be directly related to the person’s disability. Dogs whose sole function is to provide comfort or emotional support do not qualify as service animals under the Americans with Disabilities Act (ADA).

Procedure:

Pratt Community College is committed to comply with state and federal laws regarding individuals with disabilities. A special accommodation request is made through the Student Success Center (SSC) and the required documentation must be provided. A Student Success Team (SST) will review each student’s documentation and request for special accommodations. The SST will approve or deny accommodations for each student requesting services and notify the student in writing.

A service animal may be permitted in a college housing facility as a reasonable accommodation only if approved by the Student Success Team and based on the following:

- The student has a documented disability;
- Required documentation is provided, as requested by the Student Success Center;
- The animal is a **service animal**;
- A signed letter on professional letterhead from a licensed physician, psychiatrist, social worker or mental health professional that states:
- The nature of the disabling condition or impairment.

Upon approval of special accommodations by the SST, a student who desires to have a service animal in college housing must submit the appropriate residence hall application paperwork and \$200 deposit required of all students. Availability of campus housing is not guaranteed as campus housing is available on a first come, first serve basis to all students upon submission of the required application paperwork and \$200 deposit.

A service animal will not be permitted in a college facility if the animal:

- Poses a direct threat to the health and safety of others;
- Causes substantial physical damage to the property of the college or others;
- Poses an undue financial or administrative burden; or
- Fundamentally alters the nature of college operations.

A service animal that is disruptive or that is not housebroken will not be permitted in college facilities. Disruptive behavior includes, but is not limited to, barking, jumping on individuals, growling at individuals, or the owner’s failure to have the animal on a leash when in common/shared areas of the college campus.

A student who is permitted to have a service animal in a college facility is financially responsible for any property damage caused by the animal. The student is responsible for the care of a service animal and for cleaning up any waste created by the animal.

Propping of Doors

The outside residence hall doors must not be propped open at any time to ensure the safety and security of the residence hall. If you see a door propped open, please close it immediately and notify a resident supervisor. Propping doors may result in disciplinary action (see sanctions and fines).

Quiet Hours

Quiet hours are enforced from 10:00 pm to 8:00 am Sunday through Thursday. Quiet hours run Midnight to 8:00 am Friday and Saturday. During quiet hours, residents' exterior room doors should be closed. The volume of any noisemaking device or instrument should be kept at a low level. Courtesy quiet hours are expected and enforced 24/7 in the residence halls. This means stereos, radios, TVs, musical instruments, and all conversations must be kept to levels that will not interfere with the study or sleep of other residents. During finals week, quiet hours will be 24 hours a day, beginning 6:00 pm the Friday before finals. Please contact Residence Life staff immediately for any noise disturbance.

Restrooms

Restroom use is only for the specified gender of the unit occupants. Guests of the same gender may use the bathroom in a unit. Public restrooms are available in Scholarship Hall, Wojciechowski Hall, and the Benson Education Center.

Room Personalization

Residents are encouraged to customize their rooms in a manner that makes them feel at home. It is recommended that residents use removable mounting tape, painter's tape, or command stripes. Any damages that occur to the room because of room personalization will be charged after checking out of the residence hall.

Solicitation

Door-to-door or signage solicitation is not allowed in the residence halls. This includes the solicitation of goods, services, and ideas. Students should immediately contact Residence Life staff if solicitors or unapproved signage are in the residence halls.

Suspicious Person

Residents should report unescorted nonresidents or suspicious persons in or near the residence halls to a Residence Life staff member immediately.

Tattooing and Hair Cutting

Tattooing and hair cutting are not allowed in the residence halls. Students violating this policy will be sanctioned (see sanctions and fines).

Theft

The college is not responsible for stolen or lost items (ex. money, jewelry, electronics, luggage, (or other articles of value) left in rooms or other parts of campus. For your protection, please lock your doors at all times. Any losses are to be reported to Campus Security and a Residential Supervisor. Students found guilty of theft or knowingly in possession of stolen property will be disciplined and could be dismissed from the residence halls.

Tobacco

In accordance with KSA 72-53,107 and in the interest of the public health, the use of all tobacco products, including vaping devices and smokeless tobacco, is prohibited on the Pratt Community College campus both inside and outside of buildings and all campus properties. Using devices and/or products, as well as actions that give the appearance of tobacco use, is prohibited.

Visitation/Escort Policy

Visitation is allowed 24 hours a day/7 days a week; however, the right of a resident to live in reasonable privacy takes precedence over the right to entertain guests within the residence halls. Overnight guests may stay for no longer than three consecutive nights or eight total nights per month, regardless of room, unless special permission is granted in advance by the Director of Students & Residence Life.

Any resident of the room has the right to ask a visitor or guest to leave. If the request is not accommodated, it is the right of the resident to contact the residence supervisor. In addition, any resident has the right to file an official complaint detailing their roommates' abuse of the visitation or cohabitation policy. Each complaint will be dealt with by the Director of Students & Residence Life. After two complaints, the resident in question may have their guest privileges restricted.

A resident must accompany all guests at all times. Guests are required to be in possession of a form of identification at all times while in the residential facilities. Unescorted guests will be required to leave the hall.

Residents are responsible for the actions of their guests and staff may ask a visitor to leave if the guest is violating policies or creating a disturbance. The resident will be held responsible for any violations or disturbances that the guest(s) cause. Guest privileges of the host resident or guest may be restricted or revoked for failure to abide by expectations.

Unauthorized Persons on College Grounds or Within College Buildings

1. Any person under the age of 14 years shall be accompanied by a parent, legal guardian or responsible adult while upon college grounds or within any college building or facility other than the residence halls.
2. No person or persons under the age of 14 years shall loiter, trespass, or assemble on college grounds or within college buildings or facilities.
3. No person under the age of 16 or of high school status will be allowed in the residence hall without permission or unless accompanied by the resident student, legal guardians, or other family members.
4. Pratt Community College Employees and staff shall immediately report any violation of this policy to the office of Finance and Operations or any available administrative employee of the college.
5. Any person in violation of this policy who refuses to leave or returns after being asked to leave shall be reported to local law enforcement authorities.

– Administrative policy 200-21

Policy:

General Rules on Open Carry and Concealed Carry on Campus

Open carry of firearms and possession of weapons other than concealed handguns shall be prohibited inside buildings on campus, while concealed carry of handguns is permitted inside buildings on campus, subject to the rules stated in this policy. All weapons are prohibited at all off-campus PCC sponsored or supervised activities, except that, as required by law, PCC does not prohibit employees, who are legally qualified, from carrying a concealed handgun while engaged in the duties of their employment outside of PCC's place of business, including while in a means of conveyance.

Nothing in this policy shall be read to prohibit possession of weapons on campus as necessary for the conduct of Board-approved academic programs or PCC-approved activities or practices with the advance written approval of the PCC president or by PCC security personnel while acting within the scope of their employment.

It shall be a violation of Board and PCC policy to openly display any lawfully possessed concealed carry handgun while inside buildings on campus, except as provided herein.

There are no PCC locations that have been designated as prohibiting concealed carry with permanent adequate security measures. PCC may from time-to-time designate a specific location temporarily prohibiting concealed carry and use temporary adequate security measures as defined and required by law. Appropriate notice will be given whenever this temporary designation is made, including notice to the Board and appropriate signage.

In addition, areas of buildings that have no public access entrances and are limited to restricted access entrances only may be off-limits to concealed carry, as determined by the PCC. "Restricted access entrance" means an entrance that is restricted to the public and requires a key, keycard, code, or similar device to allow entry to authorized personnel. "Authorized personnel" means employees of PCC and any person granted authorization pursuant to K.S.A 75-7c20(d)(2), who are authorized to enter a PCC building through a restricted access entrance. Appropriate signage will be provided in these areas.

Prohibitions Based on State Law

Beginning July 1, 2017, any individual who is 21 years of age or who is 18 years of age and in possession of a valid provisional license issued pursuant to K.S.A. 75-7co3 and who is lawfully eligible to carry a concealed handgun in Kansas shall not be precluded from doing so on campus except in PCC buildings and areas of buildings for which adequate security measures are provided, and except as otherwise prohibited by law.

Regardless of whether the individual is otherwise lawfully eligible to carry a concealed handgun, the following restrictions apply to the carrying of a firearm by Kansas law, and the violation of any of the following restrictions is a crime under Kansas law and a violation of this policy:

1. An individual in possession of a concealed firearm must be at least 21 years of age or who is 18 years of age and in possession of a valid provisional license issued pursuant to K.S.A. 75-7co3 [K.S.A. 21-6302(a)(4)];
2. a firearm cannot be carried by an individual under the influence of alcohol or drugs, or both, to such a degree as to render the individual incapable of safely operating the firearm [K.S.A. 21-6332];
3. a firearm cannot be carried by an individual who is both addicted to and an unlawful user of a controlled substance [K.S.A. 21-6301(a)(10)];
4. a firearm cannot be carried by an individual who is or has been a mentally ill person subject to involuntary commitment [K.S.A. 21-6301(a)(13)];

6. a firearm cannot be carried by an individual who has been convicted of a felony crime [K.S.A. 21-6301];
7. an automatic firearm cannot be carried [K.S.A. 21-6301(a)(5)];
8. a cartridge when can be fired by a handgun and which has a plastic-coated bullet with a core of less than 60% lead by weight is illegal [K.S.A. 21-6301(a)(6)];
9. suppressors and silencers cannot be used with a firearm [K.S.A. 21-6301(a)(4)]; and,
10. firearms cannot be fired in the corporate limits of a city or at a dwelling, or at a structure or vehicle in which people are present, except in self-defense [K.S.A. 21-6308, 6308a].

It shall also be a violation of this policy to otherwise possess, store, transport, trade, sell, or in any other way use a firearm in violation of any applicable law.

Carrying and Storing Handguns

Each individual who lawfully possesses a handgun on campus shall be wholly and solely responsible for carrying, storing, and using that handgun in a safe manner and in accordance with the law, Board policy, and PCC policy. Nothing in this policy shall be interpreted to require individuals who lawfully possess a handgun to use it in defense of others.

Beginning July 1, 2017, any individual who is 21 years of age or older and who is lawfully eligible to carry a concealed handgun in Kansas or who is 18 years of age and in possession of a valid provisional license issued pursuant to K.S.A. 75-7co3 shall not be precluded from doing so on campus except in:

- carry it concealed on or about their person in a manner that complies with this policy, or;
- keep it stored in any secure storage location provided PCC specifically for that purpose, at their residence, or their privately-owned or leased vehicle.

Individuals who carry a handgun inside buildings on campus must carry it concealed on or about their person at all times. With respect to this policy, "concealed" mean completely hidden from view and does not reveal the weapon in any way, shape, or form. "About" the person means that an individual may carry a handgun if it can be carried securely in a suitable carrier, such as a backpack, purse, handbag, or other personal carrier designed and intended for the carrying of an individual's personal items.

Moreover, the carrier must at all times remain within the exclusive and uninterrupted control of the individual. This includes wearing the carrier with one or more straps consistent with the carrier's design, carrying or holding the carrier, or setting the carrier next to or within the immediate reach of the individual. Except in those instances where necessary for self-defense or transferring to safe storage and except as otherwise provided in this policy, it shall be a violation of Board and PCC policy to openly display any lawfully possessed concealed carry handgun while on campus.

Every handgun carried by an individual, whether on their person or in a carrier, must be secured in a holster that completely covers the trigger and the entire trigger guard area and that secures any external hammer in an uncocked position. The handgun must be secured in the holster with a strap or by other means of retention. The holster must have sufficient tension or grip on the handgun to retain it in the holster even when subjected to unexpected jostling. Handguns with an external safety must be carried without a chambered round of ammunition. Revolvers must be carried with the hammer resting on an empty chamber.

Handguns shall not be stored:

- in any PCC classroom, lab, office, or facility;
- in an on-campus residential unit, except in the on-campus residential unit of the individual who is at least 21 years of age, or who is 18 years of age and in possession of a valid provisional license issued pursuant to K.S.A. 75-7co3 who legally owns the handgun, and when the handgun is secured in a holster in an approved storage device;
- in any non-private owned or leased motor vehicle; or,
- in any other location and under any circumstances except as specifically permitted by this policy and by state and federal law.

Handguns may be stored:

- in an individual's privately-owned or leased motor vehicle when the vehicle is locked (if unattended) and the handgun is secured in a location within the vehicle that is not visible from outside the vehicle; or,
- in the on-campus residential unit of the individual who is at least 21 years of age, or who is 18 years of age and in possession of a valid provisional license issued pursuant to K.S.A. 75-7co3 who approved storage device. Handgun storage by any other means than specifically permitted in this policy is prohibited.
- For any on-campus residential unit that does not have adequate security measures, each resident who lawfully possesses a handgun on campus and elects to store the handgun they possess in the room to which they are assigned when not carrying it on their person in a concealed fashion shall secure the handgun in a secure storage device that conceals the gun from view. Such storage devices shall be provided by the individual who possesses the handgun and must meet minimum industry standards for safe keeping of handguns.

PCC does not provide approved handgun storage devices to any person under any circumstances. Each individual who stores a handgun in an on-campus residence must provide their own approved storage device. An approved storage device has each of these characteristics:

- it is of sufficient size to fully enclose the handgun while secured in an approved holster;
- it is constructed of sturdy materials that are non-flammable;
- it has a combination, digital, or other secure locking device that can only be unlocked by the individual using the storage device, but devices secured exclusively with a key lock are prohibited; and,
- It is constructed specifically for the storage of a handgun and/or ammunition. All ammunition stored in an on-campus residence must be stored in an approved storage device.

Windows/Screens

Any resident who removes the screen from a window may be assessed a removal charge and could face disciplinary action. Anyone found in violation of entry or exit, passing or throwing items from a window could face disciplinary action.

Residence Life Conduct Process

Discipline Hearing

If you are involved in a situation in which a policy is being violated and a staff member interjects, their initial responsibility is to end whatever behavior is taking place that violates a policy. The staff member will then write an incident report documenting the details of what happened, including the names of people present, policies that were violated, and other relevant information. The report is then forwarded to the Director of Students & Residence Life for review.

Depending on the nature of the situation, the Director of Students & Residence Life will follow up with the students in a meeting (called a conduct hearing), via a letter delivered to their residence hall door. Any time a resident is notified to appear for a hearing, they must do so. If a resident fails to appear at a conduct hearing, his/her case will be reviewed by the hearing officer based on the information in the incident report. During the conduct hearing the student will be able to present their side of the incident and to file an official statement. After the meeting, the information present will be reviewed alongside the incident report. After this review, a decision will be made whether or not the student is found to have been in violation of a policy. If found in violation an additional meeting will be scheduled to discuss the reasoning and to assign sanctions based on the policy violation.
