ii. Carrying and Storing Handguns

Each individual who lawfully possesses a handgun on campus shall be wholly and solely responsible for carrying, storing and using that handgun in a safe manner and in accordance with the law, Board policy and PCC policy. Nothing in this policy shall be interpreted to require individuals who lawfully possess a handgun to use it in defense of others.

Beginning July 1, 2017, each individual who lawfully possesses a concealed handgun on campus shall at all times have that handgun in their custody and control, and shall either:

(1) carry it concealed on or about their person in a manner that complies with this policy, or;
(2) keep it stored in any secure storage location provided PCC specifically for that purpose, at their residence, or in their privately-owned or leased vehicle.

Individuals who carry a handgun inside buildings on campus must carry it concealed on or about their person at all times. With respect to this policy, "concealed" means completely hidden from view and does not reveal the weapon in any way, shape, or form. "About" the person means that an individual may carry a handgun if it can be carried securely in a suitable carrier, such as a backpack, purse, handbag, or other personal carrier designed and intended for the carrying of an individual's personal items.

Except in those instances where necessary for self-defense or transferring to safe storage and except as otherwise provided in this Policy, it shall be a violation of Board and PCC policy to openly display any lawfully possessed concealed carry handgun while on campus.

Every handgun carried by an individual, whether on their person or in a carrier, must be secured in a holster that completely covers the trigger and the entire trigger guard area and that secures any external hammer in an uncocked position. The holster must have sufficient tension or grip on the handgun to retain it in the holster even when subjected to unexpected jostling. Handguns with an external safety must be carried with the safety in the "on" position. Semiautomatic handguns must be carried without a chambered round of ammunition. Revolvers must be carried with the hammer resting on an empty chamber.

Handguns shall not be stored:
(1) in any PCC classroom, lab, office, or facility;
(2) in an on-campus residential unit, except in the on-campus residential unit of the individual who is at least 21 years of age, who legally owns the handgun, and when the handgun is secured in a holster in an approved storage device;
(3) in any non-privately owned or leased motor vehicle; or,
(4) in any other location and under any circumstances except as specifically permitted by this policy and by state and federal law.

Handguns may be stored:
(1) in an individual's privately-owned or leased motor vehicle when the vehicle is locked (if unattended) and the handgun is secured in a location within the vehicle that is not visible from outside the vehicle; or,

(2) in the on-campus residential unit of the individual who is at least 21 years of age, who legally owns the hand gun, and when the handgun is secured in a holster and in an approved (3) storage device. Handgun storage by any other means than specifically permitted in this policy is prohibited.

For any on-campus residential unit that does not have adequate security measures, each resident who lawfully possesses a handgun on campus and elects to store the handgun they possess in the room to which they are assigned when not carrying it on their person in a concealed fashion shall secure the handgun in a secure storage device that conceals the gun from view. Such storage devices shall be provided by the individual who possesses the handgun and must meet minimum industry standards for safe-keeping of handguns.

PCC does not provide approved handgun storage devices to any person under any circumstances. Each individual who stores a handgun in an on-campus residence must provide their own approved storage device. An approved storage device has each of these characteristics:

(1) it is of sufficient size to fully enclose the handgun while secured in an approved holster;
(2) it is constructed of sturdy materials that are non-flammable;
(3) it has a combination, digital , or other secure locking device that can only be unlocked by the individual using the storage device, but devices secured exclusively with a key lock are prohibited; and,

Sanctions

Any individual who violates one or more provisions of this policy may be issued a lawful directive to leave campus with the weapon immediately. Any individual who violates the directive shall be considered to be in trespass and may be cited accordingly. Any employee or student of PCC who violates one or more provisions of this policy shall be subject to discipline in accordance with applicable PCC disciplinary policy. Any individual who violates state or federal law may be detained, arrested or otherwise subjected to lawful processes appropriate to the circumstances.
