

Dear College Start Parent,

Your student has requested to enroll concurrently for the 2022-2023 school year through Pratt Community College to earn college credit for courses they are taking while in high school. These courses are considered college courses and will be reflected on their Official Pratt Community College Transcript. By signing this document, you give your child permission to enroll for college credit with the understanding there may be tuition, fees and/or textbooks which require payment immediately after their enrollment is processed.

To see required payment, or to set up a payment plan, please log into your student's Self-Service account or call the Business Office at 620.450.2134.

Please contact the Coordinator of Enrollment Services & HS/CTE College Start with any questions at 620.450.2171 or lisas@prattcc.edu.
