

Kansas Promise Scholarship Change of Name and Address Form

Please complete this form to notify this college of a change in your personal or contact information which is required due to your award of the Kansas Promise Scholarship. After you complete your program at this college you will need to continue to update your contact information with the Kansas Board of Regents until all the obligations of your Kansas Promise Scholarship Agreement are fulfilled. This time period will, at a minimum be two years from completion of your program for which you received the Kansas Promise Scholarship. If you pursue additional higher education you must continue to update your contact information until you are no longer a student and have begun living and working in Kansas for two consecutive years.
