

Information Technology courses allow high school students in 9th (special permission) – 12th grade to begin their college and technical classes. In order to earn an Associate of Applied Science Degree, students must complete 65 credit hours. Please utilize the College Catalog from our website to validate program/degree requirements. Information Network Technology (INT) 3rd party credentials may be earned upon successful completion of select courses outlined below. The college courses followed by "online option" notation may be offered face-to-face and/or online. High school offerings are not available in all areas.

**Cost**

Secondary students enrolled in a post-secondary tiered technical course at Pratt Community College will not be charged tuition or general fees. Students will be responsible for book and course fees. Course fees may be charged for designated courses.

Secondary students who enroll in courses that are non-tiered will be charged the current tuition and fees as set by Pratt Community College.

**Degree / Certification Options**

Pratt Community College offers an Associate of Applied Science Degree as well as INT certifications.

Certifications include CompTIA (Computing Technology Industry Association) Certifications in Computer Technology A+, Network + and Security+.

**Career Options**

INT certification prepares the student to work as an entry level network technician.

**^Tiered technical course**

\*Course fee applies-check with Admissions  
\*\*Course credit may be earned through Articulation agreements + Placement Test Required

**Potential Earnings**

Entry Level: \$45,000  
Median: \$72,000  
Experienced: \$110,000

**Required Courses – First Year Student**

- ^BUS201 – Web Page Design- 3 cr. hrs.
- ^INT107 – CompTIA A+ Essentials- 3 cr. hrs. (online option)
- ^INT109 – Introduction to Network Technology – 3 cr. hrs. (online option)
- ^INT155 – Server Administration – 3 cr. hrs.

12 college cr. hrs.

These courses are offered in sequence as part of the first-year experience- successful completion is required prior to enrolling in second year.

**Required Courses – Second year Student**

- ^INT206 – Comp TIA A+ Practical Application- 3 cr. hrs. (online option)
- ^INT209 – Network System Technology- 3 cr. hrs. (online option)
- ^INT218 – Introduction to Computer Programming – 3 cr. hrs.

9 college cr. hrs.

**Required Courses – Third Year Student**

- ^INT230 – Linux Operating System- 3 cr. hrs.
- ^INT238 – Advanced Visual Basic Programming- 3 cr. hrs.
- \*INT105 – Intro to Game Theory- 3 cr. hrs.

9 college cr. hrs.

**High School Core Competencies**

INT courses rely heavily on both the knowledge and application of math and science. Students who complete of one or more 3rd party credentials demonstrated an understanding of both.
