

# PRATT COMMUNITY COLLEGE

Maximum Student Learning

Individual & Workforce  
Development

High Quality Instruction  
& Service

Community Enrichment

Dear College Start Parent,

Your student has requested to enroll concurrently through Pratt Community College, for the 2021-2022 school year, to earn college credit for courses they are taking while in high school. These courses are considered college courses and will be reflected on their Official Pratt Community College Transcript. By signing this document, you give your child permission to enroll for college credit, with the understanding there may be tuition, fees and/or textbooks which require payment immediately after their enrollment is processed.

To see required payment, or to set up a payment plan, please log into your student's Self Service account or call the Business Office at 620.450.2134.

Please contact the Director of Admissions & HS/CTE College Start with any questions at 620.450.2122 or [caitlinm@prattcc.edu](mailto:caitlinm@prattcc.edu).
