## Tuesday 9/15 Jackbox Games: Trivia Murder Party 2 Zoom 9PM

Trivia Murder Party 2 is a deviously funny Trivia game where getting questions wrong leads to fighting for your life in a variety of strange and challenging minigames. After playing the minigame in the Killing Room to decide who will survive, all players (even ghosts) will continue answering questions until there is one player left alive or everyone is dead (in which case the player with the most money is revived) **Zoom Code** details will be sent to your PCC Email.
