

- Annual Scholarship Fund**
The annual fund is a yearly fundraising campaign that supports scholarships, academic programs, and student life.
- Endowed Scholarship**
Restricted—A gift of \$50,000 or more supports a purpose, program, department, or activity according to the wishes of the donor. It should be consistent with the mission, goals, purposes and plans of the College/Foundation.
- Memorial/Honorarium Gifts**
Established in honor of individuals who have made significant contributions.
- Matching Gifts**
More than one thousand corporations across the U.S. have matching gift programs. If your employer offers this benefit, please send in your company's matching gift form along with your donation.
- Cash or Securities**
Appreciated stocks, bonds or mutual funds entitle the donor to two income tax benefits: Avoidance of capital gains and an income tax deduction based on the securities' fair market value on the date of the gift.
- Real Estate Give**
May be used to fund a life income trust whereby the donor retains a life income interest in the earnings of the trust.
- In-Kind**
Instead of giving money to buy needed goods and services, the goods and services themselves are given.
- Planned Giving/Estate Planning**
Allows a donor to make a gift commitment to the College/Foundation but to delay delivery of the final benefit of the gift until a later time.

The Pratt Community College Foundation is a non-profit, tax exempt, 501(c)(3) organization. Donations are income tax deductible to the extent allowed by law. Donors should discuss with their tax advisor.

Smart **GIVING**

Imagine being able to provide scholarships for deserving Pratt Community College students while reaping tax-advantaged benefits for yourself. Planned giving makes that possible.

Smart **OPTIONS**

Planned gifts can be tailored to meet your immediate and long-term needs.

Bequest

The most common type of estate gift is a bequest in a will or trust. It may be stated as a percentage of the estate or for a specific dollar amount until a later time.

Charitable Remainder—Annuity Trust or Unitrust

You transfer an irrevocable gift of cash, securities or mortgage-free property to a trust for which Pratt Community College Foundation will serve as trustee. The trustee invests the assets of the trust and pays a percentage of the trust's value to one or more beneficiaries named by you. You can create a trust that will pay you either a fixed annual income (Annuity Trust) or a variable annual income (Unitrust).

Charitable Lead Trust

A charitable lead trust allows the donor to retain possession of an asset while making a generous gift to the college.

Charitable Gift Annuity

In exchange for your irrevocable gift of cash, securities or other assets, Pratt Community College Foundation agrees to pay one or two annuitants a fixed sum annually for their lifetime(s). The annuity amount is based on the age of the annuitant(s). The older the annuitant(s), the greater the annuity payment.

Life Insurance Gift

Many people don't realize how convenient and welcome a gift of life insurance can be. Only one action is necessary: The naming of Pratt Community College Foundation as the policy's beneficiary. (Whole or Universal Life Policies only)

Real Estate Gift

May be used to fund a life income trust whereby the donor retains a life income interest in the earnings of the trust.
